RE: C-2018-3004228

Dear Rosemary;

I seem to have got caught up in changing insurance companies from Progressive to Nationwide. I never knew that Nationwide did not send out the Form E that you need. Today I am switching back from Nationwide to Progressive on the vehicles I use to transport Amish.

I received your letter dated August 9th, 2018 (attached). I have not drove since you suspended me as of that date. I ask that you please remove the \$500.00 fine for me. Even though I did have insurance threw Nationwide, I was waiting for your letter to resume operations. For this reason, I was not operating without insurance either way.

The Form E should get to your offices in next couple days and everything be good again.

Thank you for your help!
