SECRETARY'S BUREAU

Re: Notification Planet Energy (Pennsylvania) Corp. – Fictitious Name Notification
(Licence Number A-2011-2223534, Utility Code 1113162)

Dear Commission Secretary:

Pursuant to applicable rules and regulations, Planet Energy (Pennsylvania) Corp. ("Planet Energy") is writing to inform the Public Utility Commission of an addition of a fictitious name/dba, RITERATE ENERGY, to its licence application. Enclosed please find the following:

1. A copy of our Certificate and Registration Form from the Commonwealth of Pennsylvania Department of State;
2. A money order, payable to the Commonwealth of Pennsylvania, in the amount of \$350.00; and
3. A Certificate of Service, demonstrating Planet Energy has served a copy of this filing to the five statutory agencies as well as all electric distribution companies in which Planet Energy is licensed to operate.

Planet Energy would like to commence marketing with its fictitious name as soon as possible. Upon marketing under RITERATE ENERGY, Planet Energy will make all updates accordingly with any applicable contact information including but not limited to website information and email addresses. No customer notice was sent because current Planet Energy customers will not be using RITERATE ENERGY as this is strictly being used for new customers in Pennsylvania using an online marketing platform. Planet Energy and RITERATE ENERGY will be marketing separately as Planet Energy and RITERATE ENERGY under the same licence. This request to utilize RITERATE ENERGY should in no way affect Planet Energy's electricity generation licence to market Pennsylvania customers as Planet Energy.

If you require any further information or have any questions or concerns, please contact me directly.

Sincerely,

Nadia Hack
Executive Assistant
