Enclosure

could potentially at any time interfere with the construction, reconstruction, maintenance or operation of the PPL Facilities or menace the same, and in connection therewith, the right to remove, if necessary, the root systems of said trees, brush or other undergrowth, and to treat said brush and undergrowth with herbicides labeled to allow their use for the removal and control of said vegetation.

And further, in consideration of said payments, GRANTOR does hereby understand, covenant and agree to and with PPL, its successors, assigns and lessees, that no buildings, swimming pools or any other improvements or structures whatsoever shall be built, constructed or placed on, under or within the Easement Area; that no flammable or explosive materials of any kind shall be stored on, under or within the Easement Area; and that PPL, its successors, assigns and lessees, shall be informed of any proposed changes in use of the land, or changes in grade under or within the Easement Area.

It is further understood and agreed that PPL, its successors, assigns and lessees, shall not be limited in its or their enjoyment of the rights hereby granted for such PPL Facilities as may be first constructed in the Easement Area, but shall have, at all times in the future, the right to construct, operate and maintain, and from time to time to reconstruct, additional PPL Facilities of any type necessary for the convenient transaction of the business of PPL upon, across, over, under, along and within the Easement Area.

This Amendment of Public Utility Easement shall be binding on GRANTOR and PPL and his/her/their/its heirs, executors, administrators, successors and/or assigns.

This Amendment of Public Utility Grant amends and replaces, but only insofar as it relates to the property now owned by the Grantor herein, the Grant of Public Utility Easement granted by Bethlehem Steel Company, dated June 15, 1930, and recorded in the Montour County Recorder of Deeds Office at Deed Book 43 Page 67 (herein after referred to as "Original Easement"). As of the date this Amendment of Public Utility Grant is executed the Original Easement shall cease to be of any force and effect, and all of PPL's rights shall be governed in accordance with the terms hereof.

This Agreement is between a public utility and a municipal corporation and is therefore subject to Pennsylvania Public Utility Commission ("PUC") review pursuant to 66 Pa.C.S.A. § 507. The Effective Date of this Agreement shall be the later of i) thirty (30) days from the date that PPL submits the Agreement to the PUC; or ii) if the PUC opens an investigation of the Agreement, on the date the PUC approves the Agreement.

IN WITNESS WHEREOF, said GRANTOR has caused this agreement to be executed in its corporate name by its proper officers, this 27th day of September, 2018.
