September 19<sup>th</sup>, 2018

Dear Secretary,

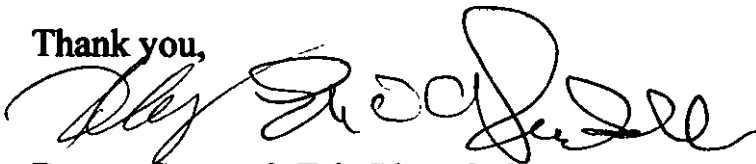

While driving with our PUC, we were in a fatal car accident.

We no longer wish to drive as a profession.

We did send this info to someone in the past but apparently it did not reach the proper authorities.

We now received a bill for \$500 (attached). If you can help us with this, we would greatly appreciate it.

Thank you,

Donna Greutz & Eric Plomchok
