Docket No. C-2017-2631007

OPPOSITION TO RENEW MOTION TO COMPEL

I am in receipt of the request to renew the Motion to Compel, filed on February 8, 2018 which was held in obedience for mediation. I have never been contacted by First Energy, First Energy's legal representative, Metropolitan Edison Company or their legal representative, or any mediator to proceed with mediation, so for Tori Giesler to state that mediation is now concluded is not correct. If they are sincere in working through mediation, they have not demonstrated an effort to do so, and this motion to compel should be denied until they have actually initiated and completed the mediation process.
