**Re: Agreement of Sale dated September 11, 2018 between
Pennsylvania-American Water Company and the County of
Lycoming for the purchase of 2018 Nutrient Credits**

Dear Secretary Chiavetta:

On behalf of Pennsylvania American Water, I am electronically filing with you, a copy of the above referenced agreement. Please note that Pennsylvania-American Water is filing this agreement under §507 and affirms that the agreement meets the exemption requirements under 66 Pa. C.S. §1102(a)(3)(ii)(A).

Very truly yours,

Brian A. Ardire

blg
Enclosure

AGREEMENT OF SALE

THIS AGREEMENT OF SALE (the "Agreement") is made this 11 day of September, 2018 by and among the **COUNTY OF LYCOMING**, a political subdivision of the Commonwealth of Pennsylvania organized and existing under the County Code, with an address at 48 West Third Street, Williamsport, PA 17701 ("Seller"), and **PENNSYLVANIA AMERICAN WATER**, with an address at 852 Wesley Dr., Mechanicsburg, PA 17055 ("Buyer").

WITNESSETH:

WHEREAS, Buyer operates waste water treatment facilities in York County, Pennsylvania ("Buyer's WWTPs")

WHEREAS, Buyer was issued NPDES Permit No. PA0082589 and NPDES Permit No. 0081868 (the "Permits") by DEP; and

WHEREAS, the Permits require the Buyer to meet certain "Chesapeake Bay Nutrient Requirements" with respect to the Buyer's WWTPs, including nitrogen and phosphorus, as more particularly described in the Permits (the "Requirements"); and

WHEREAS, Seller has aggregated certified nitrogen water quality nutrient credits ("Credits") in a manner which has allowed Seller to certify Credits within the Susquehanna Basin of the Chesapeake Bay Watershed; and

WHEREAS, Buyer desires to purchase from Seller, and Seller desires to sell the Buyer, certain Credits generated during the 2018 water year on the terms and conditions hereinafter provided.

NOW THEREFORE, in consideration of mutual promises set forth herein, the sufficiency of which is hereby acknowledged, and intending to be legally bound, the parties hereto agree as follows:

1. Sale and Purchase of the Credits. Seller hereby agrees to sell, and Buyer hereby agrees to purchase the Credits, upon the following terms and conditions.
 - 1.1 Buyer agrees to purchase from Seller, and Seller agrees to sell to Buyer 2018 Nitrogen Credits in an amount verified by DEP and for a purchase price of Two Dollars and Twenty Five Cents (\$2.25) per credit for Eighteen Thousand, Nine Hundred Ninety Four (18,994) Nitrogen Credits, as indicated on Seller's Verification of Nutrient Credits marked as Exhibit "A", attached hereto and incorporated herein by reference. The total

purchase price is \$42,736.50, which purchase price is exclusive of all sales, use, excise, or similar taxes, which shall be paid (to the extent applicable) solely by Buyer.

- 1.2 Buyer agrees to remit full payment for all Credits to Seller within thirty (30) days of Buyer's receipt of notification by DEP of the registration of the Credits purchased pursuant to this Agreement and as required by 25 Pa. Code 96.8
- 1.3 Buyer acknowledges and agrees that (i) the Credits may only be used for Buyer's WWTPs, and may not be assigned, conveyed, or transferred in any fashion (whether by operation of law or otherwise) by Buyer without Seller's prior written consent, which consent may not be unreasonably withheld by Seller; (ii) Seller is not making any, and has made no, representation, warranty, or covenant regarding (A) the suitability of the Credits for the Buyer's WWTPs, and (B) the likelihood of the Credits satisfying the requirements of the Permits (or any successor permits); and (iii) Seller has, and shall have no duty, liability, or responsibility in any way relating to or arising out of the Buyer's WWTPs.
- 1.4 Seller consents to DEP transmitting a copy of said Verification directly to Buyer, Seller consents to Buyer transmitting a copy of this Agreement to DEP for the purpose of Credit registration.
- 1.5 Each party agrees to execute any and all documents and take such other actions as the other party may reasonably request in order to consummate the transaction provided for herein and to accomplish the purposes of this Agreement.
- 1.6 This Agreement may be declared null and void at Buyer's sole option in the event that 2018 Credits are not verified by DEP or registered to the Buyer's Permits prior to November 30, 2018 or the end of the 2018 water year true-up period.

2. Miscellaneous.

- 2.1 This Agreement contains the entire agreement and understanding between the parties concerning the subject matter hereof, and supersedes any and all prior understandings or agreements, written or oral, between the parties respecting the subject matter hereof.
- 2.2 This Agreement may not be amended, modified, superseded, cancelled, renewed or extended, nor may any term or condition hereof be waived, except by a written instrument or document signed by all parties hereto or, in the case of a waiver, signed by the party sought to be charged

therewith. No waiver by any party of the breach of any provision hereof shall be deemed to constitute a waiver of any continuing or subsequent breach of such provision or any other provision hereof. Except as otherwise provided herein, the rights and remedies expressly granted hereunder shall be cumulative with respect to, and shall not be deemed to exclude, any other rights and remedies to which any party shall be entitled at law or in equity.

2.3 This Agreement shall be binding upon and inure to benefit of the parties hereto and their respective successors and assigns, but shall not be assigned by any party without the prior written consent of the other parties (which consent shall not be unreasonably withheld or delayed), as well as any necessary consents or approvals of the applicable regulatory authorities.

2.4 This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania. The parties agree that jurisdiction and venue for any questions or disputes hereunder shall only be in the Court of Common Pleas in and for Lycoming County, Pennsylvania, and/or the United States District Court serving such County.

2.5 Headings have been set forth for convenience of reference only and shall not be used in construing this Agreement. References to persons or things shall be deemed to refer to such persons or things in the singular or plural and in the masculine, feminine or neuter gender as the context requires.

2.6 This Agreement shall be deemed to be severable, so that if any provision hereof shall be determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions hereof shall continue to remain valid and enforceable in accordance with their terms.

2.7 All notices shall be in writing, shall be sent to the address contained in the introductory section and shall be considered as delivered: (i) on the next business day, if sent by telex, telecopy, telegram or overnight carrier; or (ii) three (3) days after the postmark, if sent by first class mail.

2.8 Nothing in this Agreement shall be deemed to create any agency, partnership, joint venture, or fiduciary relationship (or duties) between the parties.

2.9 The Buyer and Seller acknowledge and understand that this Agreement may be subject to the Pennsylvania Right to Know Law, 65 P.S. 67.101 *et seq.* The Buyer's and Seller's duties regarding the Right To Know Law are continuing duties that survive the expiration of this Agreement.

2.10 This agreement may be executed in any number of counterparts (and delivered by overnight express mail, or by fax with confirmation in writing delivered by overnight express mail), each of which shall be deemed to be an original as against any party whose signature appears thereon, and all of which shall together constitute one and the same instrument. This Agreement shall be binding when one or more counterparts hereof, individually or taken together, shall bear the signatures of all the parties reflected on this Agreement as the signatories.

2.11 Terms used in this Agreement shall be defined in 25 Pa. Code 96.8.

[THE BALANCE OF THIS PAGE IS INTENTIONALLY BLANK]

IN WITNESS WHEREOF, intending to be legally bound, this Agreement of Sale has been duly executed by the parties hereto as of the day and year first above written.

Re: Verification of Nutrient Reduction Credits – LCCD: Bishcroft

Dear Mr. Morehart,

The Department of Environmental Protection (DEP) is in receipt of a request for verification (“request”), including a Nutrient Credit Nonpoint Source Verification Request form (3800-FM-BCW0506a) and documentation demonstrating credit generation using the verification plan submitted as part of the certification request.

DEP approval of a verification request indicates that the generator has verified the pollutant reduction activity in the manner described in the approved verification plan submitted with the certification request for the current certification, and that other verification requirements of the Nutrient Credit Trading Program, such as baseline and threshold, have been met (See 25 Pa. Code §96.8(f)).

Proposed pollutant reduction activities include the following agriculture best management practices: conservation tillage (CT), continuous no-till planting methods (CNT), cover crops (CC).

The following nutrient pollutant reduction activity(ies) (PRA) have DEP approval for verification:

Verification ID	Cert ID	Generator	Site Contact Name	PRA	N Credits Verified	P Credits Verified	Verification Date	Verification Expiration
684	219	Lycoming County Conservation District	Bishcroft	CC	3,757	0	8/13/18	11/28/18

Assuming no contrary information comes to DEP’s attention, DEP is prepared to register the verified credits generated by the pollutant reduction activity listed above upon receipt of a valid contract. These credits may only be used towards compliance with an NPDES permit for the 2018 compliance year until November 28, 2018.

Lycoming County Conservation District shall furnish to DEP, within the timeframe specified by DEP, any information DEP may request related to this verification. All documents, records, data, or other information related to this verification shall be maintained by Lycoming County Conservation District for a minimum of three (3) years from the expiration date of the related certification.

Pertinent information related to credit certification, verification, and registration, including data on credit generators and buyers, will be published on DEP's Nutrient Trading website at:

www.dep.pa.gov/nutrient_trading

If you have any additional questions regarding this verification of credits, please do not hesitate to contact DEP at RA-EPPANutrientTrad@pa.gov or 717.787.6744.

Sincerely,

A handwritten signature in cursive script that reads "Theia Hofstetter".

Re: Verification of Nutrient Reduction Credits – LCCD: Harvey

Dear Mr. Morehart,

The Department of Environmental Protection (DEP) is in receipt of a request for verification (“request”), including a Nutrient Credit Nonpoint Source Verification Request form (3800-FM-BCW0506a) and documentation demonstrating credit generation using the verification plan submitted as part of the certification request.

DEP approval of a verification request indicates that the generator has verified the pollutant reduction activity in the manner described in the approved verification plan submitted with the certification request for the current certification, and that other verification requirements of the Nutrient Credit Trading Program, such as baseline and threshold, have been met (See 25 Pa. Code §96.8(f)).

Proposed pollutant reduction activities include the following agriculture best management practices: continuous no-till planting methods (CNT) and cover crops (CC).

The following nutrient pollutant reduction activity(ies) (PRA) have DEP approval for verification:

Verification ID	Cert ID	Generator	Site Contact Name	PRA	N Credits Verified	P Credits Verified	Verification Date	Verification Expiration
685	303	Lycoming County Conservation District	Harvey	CNT	6	0	8/21/18	11/28/18

Assuming no contrary information comes to DEP’s attention, DEP is prepared to register the verified credits generated by the pollutant reduction activity listed above upon receipt of a valid contract. These credits may only be used towards compliance with an NPDES permit for the 2018 compliance year until November 28, 2018.

Lycoming County Conservation District shall furnish to DEP, within the timeframe specified by DEP, any information DEP may request related to this verification. All documents, records, data, or other information related to this verification shall be maintained by Lycoming County Conservation District for a minimum of three (3) years from the expiration date of the related certification.

Pertinent information related to credit certification, verification, and registration, including data on credit generators and buyers, will be published on DEP's Nutrient Trading website at:

www.dep.pa.gov/nutrient_trading

If you have any additional questions regarding this verification of credits, please do not hesitate to contact DEP at RA-EPPANutrientTrad@pa.gov or 717.787.6744.

Re: Verification of Nutrient Reduction Credits – LCCD: Gavitt

Dear Mr. Morehart,

The Department of Environmental Protection (DEP) is in receipt of a request for verification (“request”), including a Nutrient Credit Nonpoint Source Verification Request form (3800-FM-BCW0506a) and documentation demonstrating credit generation using the verification plan submitted as part of the certification request.

DEP approval of a verification request indicates that the generator has verified the pollutant reduction activity in the manner described in the approved verification plan submitted with the certification request for the current certification, and that other verification requirements of the Nutrient Credit Trading Program, such as baseline and threshold, have been met (See 25 Pa. Code §96.8(f)).

Proposed pollutant reduction activities include the following agriculture best management practices: conservation tillage (CT), continuous no-till planting methods (CNT), cover crops (CC), off-stream watering with and without fencing (OFWF), off-stream watering with rotational grazing (OFWRG), and riparian forest buffers (RFB).

The following nutrient pollutant reduction activity(ies) (PRA) have DEP approval for verification:

Verification ID	Cert ID	Generator	Site Contact Name	PRA	N Credits Verified	P Credits Verified	Verification Date	Verification Expiration
667	316	Lycoming County Conservation District	Gavitt	CC	35	0	7/19/18	11/28/18

Assuming no contrary information comes to DEP’s attention, DEP is prepared to register the verified credits generated by the pollutant reduction activity(ies) listed above upon receipt of a valid contract. These credits may only be used towards compliance with an NPDES permit for the 2018 compliance year until November 28, 2018.

July 19, 2018

Lycoming County Conservation District shall furnish to DEP, within the timeframe specified by DEP, any information DEP may request related to this verification. All documents, records, data, or other information related to this verification shall be maintained by Lycoming County Conservation District for a minimum of three (3) years from the expiration date of the related certification.

Re: Verification of Nutrient Reduction Credits – LCCD: Tebbs (JRT Farms)

Dear Mr. Morehart,

The Department of Environmental Protection (DEP) is in receipt of a request for verification (“request”), including a Nutrient Credit Nonpoint Source Verification Request form (3800-FM-BCW0506a) and documentation demonstrating credit generation using the verification plan submitted as part of the certification request.

DEP approval of a verification request indicates that the generator has verified the pollutant reduction activity in the manner described in the approved verification plan submitted with the certification request for the current certification, and that other verification requirements of the Nutrient Credit Trading Program, such as baseline and threshold, have been met (See 25 Pa. Code §96.8(f)).

Proposed pollutant reduction activities include the following agriculture best management practices: conservation tillage (CT), continuous no-till planting methods (CNT), and cover crops (CC).

The following nutrient pollutant reduction activity(ies) (PRA) have DEP approval for verification:

Verification ID	Cert ID	Generator	Site Contact Name	PRA	N Credits Verified	P Credits Verified	Verification Date	Verification Expiration
703	304	Lycoming County Conservation District	Tebbs (JRT Farms)	CT	517	0	8/23/18	11/28/18

Assuming no contrary information comes to DEP’s attention, DEP is prepared to register the verified credits generated by the pollutant reduction activity listed above upon receipt of a valid contract. These credits may only be used towards compliance with an NPDES permit for the 2018 compliance year until November 28, 2018.

Lycoming County Conservation District shall furnish to DEP, within the timeframe specified by DEP, any information DEP may request related to this verification. All documents, records, data, or other information related to this verification shall be maintained by Lycoming County Conservation District for a minimum of three (3) years from the expiration date of the related certification.

Pertinent information related to credit certification, verification, and registration, including data on credit generators and buyers, will be published on DEP's Nutrient Trading website at:

www.dep.pa.gov/nutrient_trading

If you have any additional questions regarding this verification of credits, please do not hesitate to contact DEP at RA-EPPANutrientTrad@pa.gov or 717.787.6744.

Sincerely,

A handwritten signature in cursive script that reads "Theia Hofstetter".

Re: Verification of Nutrient Reduction Credits – LCCD: Worthington

Dear Mr. Morehart,

The Department of Environmental Protection (DEP) is in receipt of a request for verification (“request”), including a Nutrient Credit Nonpoint Source Verification Request form (3800-FM-BCW0506a) and documentation demonstrating credit generation using the verification plan submitted as part of the certification request.

DEP approval of a verification request indicates that the generator has verified the pollutant reduction activity in the manner described in the approved verification plan submitted with the certification request for the current certification, and that other verification requirements of the Nutrient Credit Trading Program, such as baseline and threshold, have been met (See 25 Pa. Code §96.8(f)).

Proposed pollutant reduction activities include the following agriculture best management practices: continuous no-till planting methods (CNT), cover crops (CC), off-stream watering with and without fencing (OFWF), off-stream watering with rotational grazing (OFWRG), and riparian forest buffers (RFB).

The following nutrient pollutant reduction activity(ies) (PRA) have DEP approval for verification:

Verification ID	Cert ID	Generator	Site Contact Name	PRA	N Credits Verified	P Credits Verified	Verification Date	Verification Expiration
701	315	Lycoming County Conservation District	Worthington	OFWRG, RFB	223	0	8/21/18	11/28/18

Assuming no contrary information comes to DEP’s attention, DEP is prepared to register the verified credits generated by the pollutant reduction activity(ies) listed above upon receipt of a valid contract. These credits may only be used towards compliance with an NPDES permit for the 2018 compliance year until November 28, 2018.

Lycoming County Conservation District shall furnish to DEP, within the timeframe specified by DEP, any information DEP may request related to this verification. All documents, records, data, or other information related to this verification shall be maintained by Lycoming County Conservation District for a minimum of three (3) years from the expiration date of the related certification.

Pertinent information related to credit certification, verification, and registration, including data on credit generators and buyers, will be published on DEP's Nutrient Trading website at:

www.dep.pa.gov/nutrient_trading

If you have any additional questions regarding this verification of credits, please do not hesitate to contact DEP at RA-EPPANutrientTrad@pa.gov or 717.787.6744.

Sincerely,

A handwritten signature in cursive script that reads "Theia Hofstetter".

Assuming no contrary information comes to DEP’s attention, DEP is prepared to register the verified credits generated by the pollutant reduction activity(ies) listed above upon receipt of a valid contract. These credits may only be used towards compliance with an NPDES permit for the 2018 compliance year until November 28, 2018.

Lycoming County Conservation District shall furnish to DEP, within the timeframe specified by DEP, any information DEP may request related to this verification. All documents, records, data, or other information related to this verification shall be maintained by Lycoming County Conservation District for a minimum of three (3) years from the expiration date of the related certification.

Pertinent information related to credit certification, verification, and registration, including data on credit generators and buyers, will be published on DEP's Nutrient Trading website at:

www.dep.pa.gov/nutrient_trading

If you have any additional questions regarding this verification of credits, please do not hesitate to contact DEP at RA-EPPANutrientTrad@pa.gov or 717.787.6744.

Sincerely,

Re: Verification of Nutrient Reduction Credits – LCCD: London

Dear Mr. Morehart,

The Department of Environmental Protection (DEP) is in receipt of a request for verification (“request”), including a Nutrient Credit Nonpoint Source Verification Request form (3800-FM-BCW0506a) and documentation demonstrating credit generation using the verification plan submitted as part of the certification request.

DEP approval of a verification request indicates that the generator has verified the pollutant reduction activity in the manner described in the approved verification plan submitted with the certification request for the current certification, and that other verification requirements of the Nutrient Credit Trading Program, such as baseline and threshold, have been met (See 25 Pa. Code §96.8(f)).

Proposed pollutant reduction activities include the following agriculture best management practices: conservation tillage (CT), continuous no-till planting methods (CNT), cover crops (CC), off-stream watering with and without fencing (pasture) (OFWFP), precision grazing (PG), and riparian forest buffers (RFB).

The following nutrient pollutant reduction activity(ies) (PRA) have DEP approval for verification:

Verification ID	Cert ID	Generator	Site Contact Name	PRA	N Credits Verified	P Credits Verified	Verification Date	Verification Expiration
686	355	Lycoming County Conservation District	London	CT, CNT, OFWFP, PG, RFB	131	0	8/21/18	11/28/18

Assuming no contrary information comes to DEP’s attention, DEP is prepared to register the verified credits generated by the pollutant reduction activity(ies) listed above upon receipt of a valid contract. These credits may only be used towards compliance with an NPDES permit for the 2018 compliance year until November 28, 2018.

Lycoming County Conservation District shall furnish to DEP, within the timeframe specified by DEP, any information DEP may request related to this verification. All documents, records, data, or other information related to this verification shall be maintained by Lycoming County Conservation District for a minimum of three (3) years from the expiration date of the related certification.

Pertinent information related to credit certification, verification, and registration, including data on credit generators and buyers, will be published on DEP's Nutrient Trading website at:

www.dep.pa.gov/nutrient_trading

If you have any additional questions regarding this verification of credits, please do not hesitate to contact DEP at RA-EPPANutrientTrad@pa.gov or 717.787.6744.

Sincerely,

Re: Verification of Nutrient Reduction Credits – LCCD: Ulmer

Dear Mr. Morehart,

The Department of Environmental Protection (DEP) is in receipt of a request for verification (“request”), including a Nutrient Credit Nonpoint Source Verification Request form (3800-FM-BCW0506a) and documentation demonstrating credit generation using the verification plan submitted as part of the certification request.

DEP approval of a verification request indicates that the generator has verified the pollutant reduction activity in the manner described in the approved verification plan submitted with the certification request for the current certification, and that other verification requirements of the Nutrient Credit Trading Program, such as baseline and threshold, have been met (See 25 Pa. Code §96.8(f)).

Proposed pollutant reduction activities include the following agriculture best management practices: conservation tillage (CT), continuous no-till planting methods (CNT), and cover crops (CC).

The following nutrient pollutant reduction activity(ies) (PRA) have DEP approval for verification:

Verification ID	Cert ID	Generator	Site Contact Name	PRA	N Credits Verified	P Credits Verified	Verification Date	Verification Expiration
694	313	Lycoming County Conservation District	Ulmer	CT, CNT	583	0	8/12/18	11/28/18

Assuming no contrary information comes to DEP’s attention, DEP is prepared to register the verified credits generated by the pollutant reduction activity(ies) listed above upon receipt of a valid contract. These credits may only be used towards compliance with an NPDES permit for the 2018 compliance year until November 28, 2018.

Lycoming County Conservation District shall furnish to DEP, within the timeframe specified by DEP, any information DEP may request related to this verification. All documents, records, data, or other information related to this verification shall be maintained by Lycoming County Conservation District for a minimum of three (3) years from the expiration date of the related certification.

Pertinent information related to credit certification, verification, and registration, including data on credit generators and buyers, will be published on DEP's Nutrient Trading website at:

www.dep.pa.gov/nutrient_trading

If you have any additional questions regarding this verification of credits, please do not hesitate to contact DEP at RA-EPPANutrientTrad@pa.gov or 717.787.6744.

Sincerely,

A handwritten signature in cursive script that reads "Theia Hofstetter".

Re: Verification of Nutrient Reduction Credits – LCCD: Ulmer

Dear Mr. Morehart,

The Department of Environmental Protection (DEP) is in receipt of a request for verification (“request”), including a Nutrient Credit Nonpoint Source Verification Request form (3800-FM-BCW0506a) and documentation demonstrating credit generation using the verification plan submitted as part of the certification request.

DEP approval of a verification request indicates that the generator has verified the pollutant reduction activity in the manner described in the approved verification plan submitted with the certification request for the current certification, and that other verification requirements of the Nutrient Credit Trading Program, such as baseline and threshold, have been met (See 25 Pa. Code §96.8(f)).

Proposed pollutant reduction activities include the following agriculture best management practices: conservation tillage (CT), continuous no-till planting methods (CNT), and cover crops (CC).

The following nutrient pollutant reduction activity(ies) (PRA) have DEP approval for verification:

Verification ID	Cert ID	Generator	Site Contact Name	PRA	N Credits Verified	P Credits Verified	Verification Date	Verification Expiration
678	313	Lycoming County Conservation District	Ulmer	CC	480	0	8/13/18	11/28/18

Assuming no contrary information comes to DEP’s attention, DEP is prepared to register the verified credits generated by the pollutant reduction activity listed above upon receipt of a valid contract. These credits may only be used towards compliance with an NPDES permit for the 2018 compliance year until November 28, 2018.

Lycoming County Conservation District shall furnish to DEP, within the timeframe specified by DEP, any information DEP may request related to this verification. All documents, records, data, or other information related to this verification shall be maintained by Lycoming County Conservation District for a minimum of three (3) years from the expiration date of the related certification.

Pertinent information related to credit certification, verification, and registration, including data on credit generators and buyers, will be published on DEP's Nutrient Trading website at:

www.dep.pa.gov/nutrient_trading

If you have any additional questions regarding this verification of credits, please do not hesitate to contact DEP at RA-EPPANutrientTrad@pa.gov or 717.787.6744.

Sincerely,

A handwritten signature in cursive script that reads "Theia Hofstetter".

Re: Verification of Nutrient Reduction Credits – LCCD: Vandine

Dear Mr. Morehart,

The Department of Environmental Protection (DEP) is in receipt of a request for verification (“request”), including a Nutrient Credit Nonpoint Source Verification Request form (3800-FM-BCW0506a) and documentation demonstrating credit generation using the verification plan submitted as part of the certification request.

DEP approval of a verification request indicates that the generator has verified the pollutant reduction activity in the manner described in the approved verification plan submitted with the certification request for the current certification, and that other verification requirements of the Nutrient Credit Trading Program, such as baseline and threshold, have been met (See 25 Pa. Code §96.8(f)).

Proposed pollutant reduction activities include the following agriculture best management practices: conservation tillage (CT), continuous no-till planting methods (CNT), and cover crops (CC).

The following nutrient pollutant reduction activity(ies) (PRA) have DEP approval for verification:

Verification ID	Cert ID	Generator	Site Contact Name	PRA	N Credits Verified	P Credits Verified	Verification Date	Verification Expiration
702	314	Lycoming County Conservation District	Vandine	CT, CNT	83	0	8/23/17	11/28/18

Assuming no contrary information comes to DEP’s attention, DEP is prepared to register the verified credits generated by the pollutant reduction activity(ies) listed above upon receipt of a valid contract. These credits may only be used towards compliance with an NPDES permit for the 2018 compliance year until November 28, 2018.

Lycoming County Conservation District shall furnish to DEP, within the timeframe specified by DEP, any information DEP may request related to this verification. All documents, records, data, or other information related to this verification shall be maintained by Lycoming County Conservation District for a minimum of three (3) years from the expiration date of the related certification.

Pertinent information related to credit certification, verification, and registration, including data on credit generators and buyers, will be published on DEP's Nutrient Trading website at:

www.dep.pa.gov/nutrient_trading

If you have any additional questions regarding this verification of credits, please do not hesitate to contact DEP at RA-EPPANutrientTrad@pa.gov or 717.787.6744.
