**Re: Application of UGI Utilities, Inc. - Gas Division for Approval of Abandonment of Natural Gas Service to Three Residential Customers Located in Pinegrove Township, Venango County, and Elk Township, Clarion County, Pennsylvania  
Docket No. A-2018-**

---

Dear Secretary Chiavetta:

Enclosed please find the NON-CONFIDENTIAL, redacted version of the above-referenced document for filing on behalf of UGI Utilities, Inc. – Gas Division (“UGI Gas”). A CD of the NON-CONFIDENTIAL version, as well as a check in the amount of \$350.00 for the filing fee, are also enclosed.

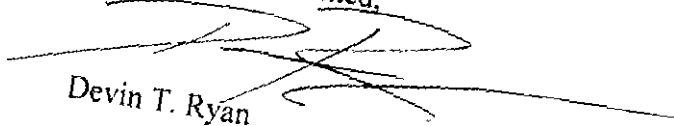

An original copy of the CONFIDENTIAL un-redacted version of this filing is provided in a sealed envelope, along with a CD containing the CONFIDENTIAL version. Please advise me of any special notice requirements associated with this application.

UGI Gas requests that the Commission approve this non-contested abandonment application on or before the public meeting currently scheduled for December 20, 2018.

Should you have any questions concerning this filing, please feel free to contact me at (717) 612-6052 or [dryan@postschell.com](mailto:dryan@postschell.com).

APPLICATION FOR APPROVAL OF  
ABANDONMENT OF SERVICE

---

**TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:**

UGI Utilities, Inc. – Gas Division (“UGI Gas” or “Company”), pursuant to the provisions of Section 1102(a)(2) of the Public Utility Code, 66 Pa.C.S. § 1102(a)(2), hereby submits this Application and requests that the Pennsylvania Public Utility Commission (“Commission”) grant it a certificate of public convenience to abandon and discontinue natural gas distribution service to three residential customer accounts at three service locations located on a single segment of UGI Gas’s system (one customer residing in Pinegrove Township, Venango County, Pennsylvania and two customers residing in Elk Township, Clarion County, Pennsylvania) as being reasonable, necessary and proper and in the public interest for the reasons set forth below. In support of this request, the Company provides the following:

**I. INTRODUCTION**

1. The name and address of the Company is:

UGI Utilities, Inc. – Gas Division  
2525 N. 12th Street, Suite 360  
P.O. Box 12677  
Reading, PA 19612-2677

2. The name and contact information of UGI Gas's attorneys for this matter are provided below.

Fax: 717-731-1985  
E-mail: dryan@postschell.com

3. UGI Gas is a division of UGI Utilities, Inc., a corporation duly organized and existing under the laws of the Commonwealth of Pennsylvania. UGI Gas is a "public utility" and a "natural gas distribution company" as those terms are defined under the Public Utility Code, 66 Pa.C.S. §§ 102 and 2202, subject to the regulatory jurisdiction of the Commission. UGI Utilities, Inc. is wholly owned by UGI Corporation.

4. UGI Gas furnishes natural gas distribution service to approximately 650,000 customers in Pennsylvania. Natural gas distribution service is rendered under and in accordance with certificates issued by or registrations filed with the Commission by UGI Gas or its predecessors, or in accordance with unregistered powers (e.g., corporate charter rights) preserved by 66 Pa.C.S. § 103 and predecessor statutes.

5. Relevant to this Application, UGI Gas is certificated by the Commission to furnish natural gas distribution service in Pinegrove Township, Venango County, and Elk Township, Clarion County.

6. Pinegrove Township, Venango County and Elk Township, Clarion County are within the Central Rate District of UGI Gas.<sup>1</sup>

---

<sup>1</sup> Pursuant to the order entered September 20, 2018 at Docket Nos. A-2018-3000381, et al., on October 1, 2018, UGI Central Penn Gas, Inc. and UGI Penn Natural Gas, Inc. merged with UGI Utilities, Inc., with UGI Utilities, Inc. the

7. In this Application, UGI Gas requests authority from the Commission to abandon natural gas distribution service to three residential customer accounts located on a single segment of UGI Gas's system. One customer resides in Pinegrove Township, Venango County, and two customers reside in Elk Township, Clarion County.<sup>2</sup> A portion of the distribution pipeline segment is located in Washington Township, Clarion County; however, no customers are served off of that portion of the pipeline segment.

8. UGI Gas is proposing to abandon service to the three customers because it has determined that the gas distribution main must be replaced and that the cost to do so is not justified by the revenues received from serving these three customers.

9. Furthermore, the Company does not foresee the potential for service expansion in this area of Pinegrove, Elk, or Washington Townships, to justify the cost to repair and replace this particular distribution main. Moreover, the proposed abandonment of this distribution main segment will not adversely affect any remaining customers in these three townships, and alternative fuel sources are available to the three customers.

10. Prior to filing the instant Application, the Company discussed the proposed abandonment of service with the three affected customers. As explained herein, the customers have consented to the discontinuation of service and permanent abandonment by UGI Gas in return for UGI Gas paying the costs to convert their appliances and service to liquefied petroleum gas.

11. The Company will pay the customers the agreed-upon amounts after the Commission's approval of this Application.

---

sole surviving entity. As of the effective date of the merger, the service territory of the former UGI Central Penn Gas, Inc. is known as the UGI Central Rate District of UGI Utilities, Inc.

<sup>2</sup> The two service locations in Elk Township currently have the same customer of record.

## II. PROPOSED ABANDONMENT

12. UGI Gas proposes to abandon natural gas service to one residential customer in Pinegrove Township, Venango County, and two residential customers in Elk Township, Clarion County, as follows:

Name	Address	Customer Class	Township/County
Angela and Frank Remmick	5620 Pine City Road Venus, PA 16364	Residential	Pinegrove Twp. Venango
Milo Beck/Eunice Slye <sup>3</sup>	661 Spruce Lane Venus, PA 16364	Residential	Elk Twp. Clarion
Milo Beck	791 Spruce Lane Venus, PA 16364	Residential	Elk Twp. Clarion

The customers named above shall be referred to hereinafter as the "Affected Customers."

13. The Affected Customers are served by a two-inch distribution main that is located in Pinegrove, Township, Venango County, and Elk and Washington Townships, Clarion County and is 9,217 feet (or 1.74 miles) in length. Approximately 9,070 feet of the main consists of two-inch bare steel located on grade, installed in 1900. The remaining 147 feet of the main consists of 2" plastic main, installed in 2007. The Affected Customers are the only customers served by this 9,217 foot-long segment of distribution main.

14. The distribution main serving the Affected Customers originates in a rural area of Washington Township south of Venus, Pennsylvania extending southwest through Pinegrove and Elk Townships, and turning abruptly north to end in a rural area of Elk Township. A map of the main is attached as **Exhibit A**.

15. The 9,217 foot-long segment of the distribution main serving the Affected Customers must be replaced in accordance with the Long Term Infrastructure Improvement Plan

<sup>3</sup> Ms. Slye quit-claimed the property in question to her grandson, Mr. Beck, who had held a remainder interest on the property. Mr. Beck has since become the customer of record for the property. Ms. Slye and Mr. Beck were both signatories to the customer letter agreement for this service location.

("LTIP") for the Central Rate District of UGI Gas as modified at Docket No. P-2013-2398835 (Opinion and Order entered June 30, 2016), which requires UGI Gas to replace all of its bare steel pipelines.

16. Moreover, the distribution main serving the Affected Customers has experienced leaks well in excess of the average distribution main on UGI Gas's system. Attached as **CONFIDENTIAL Exhibit B** is the leak data for the Affected Customers' distribution main.

17. Given the repair history on this distribution pipe segment, if these facilities are not abandoned or replaced, the Company is concerned about being able to operate this main segment in a safe and reasonable manner in the future.

18. UGI Gas estimates the cost of permanently replacing the main segment serving the Affected Customers to be approximately \$1,754,000.

19. UGI Gas does not currently own or operate alternative distribution facilities located at or near the main requiring permanent replacement. Thus, without a permanent replacement of the main, UGI Gas will not have facilities to provide service to the Affected Customers.

20. The total annual distribution margin (customer charges, distribution charges, and merchant function charges) received by the Company from the Affected Customers is as follows:

<b>Customer Account</b>	<b>Annual Distribution Margin (Based on 3-Year Average)</b>
Frank and Angela Remmick	\$488.00
Milo Beck/Eunice Slye	\$991.33
Milo Beck	\$875.67
<b>TOTAL</b>	<b>\$2,355.00</b>

21. The expected revenue shortfall based on the project cost of replacing the entire 9,849-foot segment would be the difference between the projected project cost of \$1,754,000 and the average \$2,355.00 customer margin for the three customers on this segment of the distribution line. This results in an expected revenue shortfall of \$1,751,645.

22. UGI Gas believes that the estimated \$1,754,000 in costs to replace and repair this distribution main, as well as the ongoing expenses that will be incurred to operate the main, are not justified by the average annual margin of \$2,355.00 received from the Affected Customers served by the main.

23. The Company also does not anticipate any further service expansion in the area that would justify the cost to repair and replace this segment of distribution main.

24. Additionally, the proposed abandonment of this distribution main segment will not adversely affect any remaining customers in Pinegrove, Elk, or Washington Townships. After the proposed abandonment, UGI Gas will continue to have at least the same gas supply deliverable to customers located in these townships.

25. Moreover, an alternative fuel source, such as electricity or propane, is available to the Affected Customers. Indeed, because the Affected Customers currently use natural gas, conversion to propane can be readily achieved by changing nozzles and making adjustments to appliances so that they are compatible with propane usage.

26. For these reasons, the Company determined it would be in the public interest to abandon this segment of distribution main, rather than replace it, and to compensate the Affected Customers for their conversion to an alternative fuel source.

27. In sum, UGI Gas's abandonment of service to the Affected Customers is reasonable and in the public interest because: (1) the existing distribution facilities are in need of

replacement; (2) replacing the existing distribution facilities is not economically justified; (3) the abandonment will not negatively affect supply to remaining customers in the affected area; (4) only three customers would be affected by the proposed abandonment; (5) alternative fuel sources are available to the Affected Customers; and (6) the Affected Customers will be compensated to help defray their costs of converting to an alternative fuel source.

### **III. CUSTOMER NOTICE AND AGREEMENT**

28. The Affected Customers have consented to the discontinuation of service and permanent abandonment by UGI Gas in return for UGI Gas paying the costs to convert their accounts to liquefied petroleum gas provided from local suppliers.

29. Prior to seeking the Affected Customers' consent, UGI Gas sent a written "Initial Notice" to the Affected Customers regarding the proposed discontinuation of service and permanent abandonment by UGI Gas and the potential conversation of the customers to an alternative fuel source. True and correct copies of the Initial Notices sent to the Affected Customers are attached hereto as **Exhibit C**.

30. In the Initial Notice, UGI Gas indicated its willingness to pay the costs to convert the customer to liquefied petroleum gas. UGI Gas also advised the Affected Customers that propane costs are not regulated by the Commission and that such rates and terms and conditions may differ from UGI Gas's. Further, UGI Gas explained that it must first seek and obtain the Commission's approval prior to abandoning service and that the Affected Customers may contact the Office of Consumer Advocate, the Commission, or the Company with any questions or concerns.

31. After providing the Initial Notices, the Company sought and obtained the written agreement of each of the Affected Customers to the discontinuation of service and permanent

abandonment of UGI Gas's service in return for UGI Gas bearing the expense of converting their appliances and service to liquefied petroleum gas provided from local suppliers. The signed customer letter agreements are attached as **CONFIDENTIAL Exhibit D**, and calculations of the agreed-upon compensations are attached as **CONFIDENTIAL Exhibit E**.

32. This Application and a "Final Notice" accompanying this Application were served on each of the Affected Customers as of the date of filing this Application. Copies of the Final Notices sent to the Affected Customers are attached as **Exhibit F**.

#### **IV. CONCLUSION**

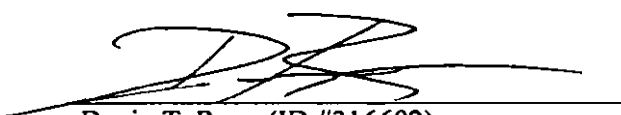

33. Approval of the instant Application is reasonable, necessary and proper, and in the public interest for the following reasons:

(a) The continuation of natural gas distribution service by UGI Gas to the Affected Customers is not in the public interest for the operational and economic reasons stated above; and

(b) The Affected Customers have consented to the discontinuation of service and permanent abandonment of UGI Gas's service in return for UGI Gas paying the costs to convert the affected account to an alternate fuel source.

WHEREFORE, UGI Utilities, Inc. – Gas Division respectfully requests that the Pennsylvania Public Utility Commission grant the instant Application and issue a Certificate of Public Convenience, pursuant to 66 Pa. C.S. § 1102(a)(2), authorizing UGI Utilities, Inc. – Gas Division to abandon natural gas distribution service to one residential customer in Pinegrove Township, Venango County, and two residential customers in Elk Township, Clarion County.

Respectfully submitted,

## INITIAL NOTICE

January 18, 2018

Ms. Eunice Slyc  
661 Spruce Lane  
Venus, PA 16364

**Re: Potential Abandonment of Natural Gas Service at 661 Spruce Lane,  
Venus, Pennsylvania 16364 ("Service Address")**

Dear Ms. Slyc:

As your natural gas utility, UGI Central Penn Gas, Inc. ("CPG") works hard to build, operate and maintain an efficient gas distribution system to meet the diverse and ever-changing needs of customers within our service area.

On or around January 18, 2018, I called and spoke with you to notify you that CPG was reviewing whether to permanently abandon service to your Service Address based on CPG's determination that the costs of repairing, replacing and maintaining the distribution line serving the Service Address were not justified by the revenue CPG expects to receive from the customers served by the line. We also discussed CPG's willingness to cover the costs of converting your home heating source to an alternative fuel source such as propane. CPG would be willing to compensate you for the cost of (1) converting or replacing applicable natural gas appliances, (2) installing propane storage and supply facilities; and (3) removal of natural gas metering facilities. CPG would additionally provide compensation equivalent to a two-year supply of propane for your Service Location based on your current natural gas usage.

CPG's rates, terms and conditions of natural gas service are regulated by the Pennsylvania Public Utility Commission ("PUC"). **Propane is not regulated by the PUC, and the terms and conditions of a propane supplier may differ from those of your current natural gas service supplied by CPG.**

CPG must ask for and receive PUC permission before we may abandon service to your Service Address. When we begin the process with the PUC, we will provide you a copy of our request. You have the right to take part in the process before the PUC.

Before we send our request to the PUC for permission to abandon service, we will seek your written agreement to the permanent abandonment of your Service Address by CPG in return for CPG's agreement to pay the costs associated with the conversion of your

home heating source. You should expect to receive that letter agreement within 10 to 15 days of the date of this letter. If we are unable to reach an agreement with you, you retain the right to protest our request to abandon service at the PUC.

The Office of Consumer Advocate (“OCA”) represents the interests of residential utility customers in Pennsylvania. They can help you with this process. You can reach the OCA at:

June 14, 2018

Mrs. Angela Remmick  
5620 Pine City Road  
Venus, PA 16364

**Re: Potential Abandonment of Natural Gas Service at 5620 Pine City Road, Venus, Pennsylvania 16364 ("Service Address")**

Dear Mrs. Remmick:

As your natural gas utility, UGI Central Penn Gas, Inc. ("CPG") works hard to build, operate and maintain an efficient gas distribution system to meet the diverse and ever-changing needs of customers within our service area.

On or around June 6, 2018, I called and spoke with you to notify you that CPG intends to abandon service to your Service Address based on CPG's determination that the costs of repairing, replacing and maintaining the distribution line serving the Service Address are not justified by the revenue CPG expects to receive from the customers served by the line. We also discussed CPG's willingness to cover the costs of converting your home heating source to an alternative fuel source such as propane. CPG would be willing to compensate you for the cost of (1) converting or replacing applicable natural gas appliances, (2) installing propane storage and supply facilities; and (3) removal of natural gas metering facilities. CPG would additionally provide compensation equivalent to a two-year supply of propane for your Service Location based on your current natural gas usage.

CPG's rates, terms and conditions of natural gas service are regulated by the Pennsylvania Public Utility Commission ("PUC"). Propane is not regulated by the PUC, and the terms and conditions of a propane supplier may differ from those of your current natural gas service supplied by CPG.

If you choose to convert to a heating source other than propane, such as an electric heat pump, the Company will provide you compensation for that conversion in an amount not to exceed the cost of a propane conversion.

CPG must ask for and receive PUC permission before we may abandon service to your Service Address. When we begin the process with the PUC, we will provide you a copy of our request. You have the right to take part in the process before the PUC.

Before we send our request to the PUC for permission to abandon service, we will seek your written agreement to the permanent abandonment of your Service Address by CPG in return for CPG's agreement to pay the costs associated with the conversion of your home heating source. You should expect to receive that letter agreement within 10 to 15 days of the date of this letter. If we are unable to reach an agreement with you, you retain the right to protest our request to abandon service at the PUC.

**Division for Approval of Abandonment of** :  
**Natural Gas Service to Three Residential** : **Docket No. A-2018-\_\_\_\_\_**  
**Customers in Pinegrove, Venango County,** :  
**and Elk Township, Clarion County,** :  
**Pennsylvania** :

**NOTICE**

UGI Utilities, Inc. – Gas Division (“UGI Gas”) has requested permission from the Public Utility Commission (“PUC”) to abandon natural gas distribution service to **Milo Beck**, whose residential service is located account at **791 Spruce Lane, Venus, Pennsylvania 16364**. A copy of UGI Gas’s request to the PUC is attached.

If the PUC grants the request, UGI Gas may abandon your natural gas service. You have the right to take part in this case. You may oppose UGI Gas’s request, **unless you have already agreed in writing not to do so.**

You must file your protest before a deadline that will be published in the legal notice section of your local paper. All protests must be made, in writing, to the Secretary, Pennsylvania Public Utility Commission, P.O. Box 3265, Harrisburg, PA 17105-3265.

The Office of Consumer Advocate (OCA) represents the interest of Pennsylvania’s residential utility customers and can help you in this process. You can contact the OCA at:

Pennsylvania Office of Consumer Advocate  
555 Walnut Street, Fifth Floor, Forum Place  
Harrisburg PA 17101-1923  
(800) 684-6560 (Toll-free Within Pennsylvania Only) or (717) 783-5048
