C-2018-3004910

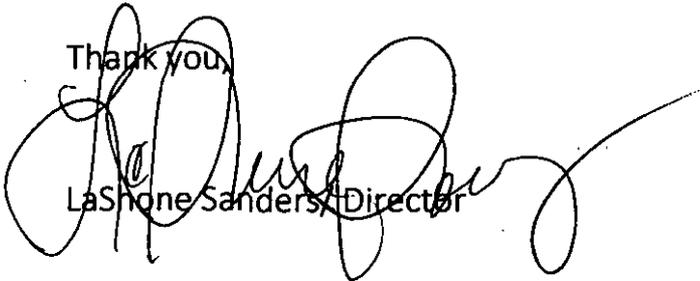

Dear Ms. Rosemary Chiavetta,

This letter is to inform you that Ty's Healthy Healers did not have a vehicle to insure, due to the transmission going in our van in July of 2017. We also didn't have enough Seniors that needed transportation service, so we decided to put the program on hold until November 2018.

We are in the process of purchasing a vehicle for transportation services for November 2018 and our Form E was sent to you showing that we have proper insurance for our new purchase.

If you have any questions, please contact LaShone Sanders at 814-520-1723.

Thank you,

LaShone Sanders, Director
