Request for Extension of Time
Docket No. C-2018-3004052

Dear Secretary Chiavetta:

Hello. I need an extension of time on my complaint.

I am sorry I did not realize that when I reached out for advocacy from the Pennsylvania Utility Commission I would be sent legal paperwork from an attorney representing the utility company I am at issue with.

It seems like this may be standard procedure and it would have been helpful to know this when a consumer, and PA taxpayer, requests help from the PUC.

I work 80 hours per week and am the sole provider for my family of four.
I am not an attorney nor can I afford to hire one to help me navigate this paperwork. Can the PUC offer counsel or a list of public attorneys?

I tried to rectify this situation myself prior coming to the PUC and could not.

I am humbly asking for more time to work through the legalese that has been sent from the attorney representing MetEd.

I await your response.

Thank you.
