Re: Assignment of Customer Contracts from Starion Energy PA Inc., License Number A-2010-2210819, to Verde Energy USA, Inc., License Number A-2010-2151038

Dear Executive Secretary:

Pursuant to the assignment rules of PA and the Asset Purchase Agreement between the parties, Starion Energy PA Inc. ("Starion") and Verde Energy USA, Inc., ("Verde") jointly provide notice of an assignment of customer contracts from Starion to Verde. The effective date of the transfer will be the customer's first meter read date on or after 11/22/2018.

Included with this notification is a copy of the letter which provides assigned customers with 30 days advance notice of the transfer. Please see the attached table for number of assigned electric customers by utility territory. The existing terms and conditions, including pricing, will remain the same for the remainder of all existing contract terms. Starion attests that present customer contracts allow for assignment.

Starion does not intend to withdraw its license because it intends to continue acquiring and serving customers in PA. Starion and Verde affirm that they are compliant with all Assessments, with all AEPS obligations, and that their financial security instruments are not expired and are in compliance.

Please contact the undersigned with any questions about this matter.

NO ACTION REQUIRED: Your service will continue under your current service agreement without interruption.

Dear «Customerfirstname» «Customerlastname»,

Starion Energy PA, Inc. ("Starion") has appreciated the opportunity to serve as the Electric Generation Supplier (EGS) for your «Utility» account. However, in accordance with your terms and conditions, we are writing to let you know that Starion will assign your electric service to Verde Energy USA, Inc. ("Verde"), another EGS licensed by the Pennsylvania Public Utility Commission, this change will take effect approximately 3 days after the assignment transaction, on approximately November 27, 2018. After such date, you should contact Verde directly regarding your electric supply service.

Verde is run by an experienced team of energy experts with decades of retail energy supply and utility experience. The Verde team's experience in deregulated energy markets enables them to offer competitive prices and friendly customer service.

No action is required on your part when this transfer occurs. Verde will honor your current agreement in place with Starion and there will be no changes to the terms or conditions through the life of your current contract. This transfer will not cause an interruption of your electric services and you should continue to pay your «Utility» bill as normal and call «Utility» in case of an outage or emergency just as you do today. The same quality support and service that you are used to with Starion will continue with Verde.

If you have a fixed rate plan with Starion, your service will continue with the same fixed rate until the end of your contract term or upon cancellation of service (early termination fees may apply if your current contract provides for them). If you are currently served under a variable rate with Starion, your service will continue under the same variable electric rate. You may also contact Verde directly to see what other options are available to you, including new options with Verde when your contract expires.

If you have any questions about the transfer of service, please contact Starion by November 26, 2018. For your convenience, the contact information for both companies is shown below. We thank you for the opportunity to serve you and we are confident you will enjoy your new service with Verde.

NINGUNA ACCIÓN REQUERIDA: Su servicio continuará bajo su contrato de servicio actual sin interrupción.

Estimado/a «Customerfirstname» «Customerlastname»,

Starion Energy PA, Inc. ("Starion") ha apreciado la oportunidad de servir como Proveedor de generación eléctrica (EGS) para su cuenta de «Utility». Sin embargo, de acuerdo con sus términos y condiciones, le escribimos para informarle que Starion asignará su servicio de electricidad a Verde Energy USA, Inc. ("Verde"), otro EGS licenciado por la Comisión de Servicios Públicos de Pennsylvania, vigente con su primera fecha de lectura del medidor después de la transacción de asignación, en aproximadamente November 27, 2018. Después de dicha fecha, debe ponerse en contacto con Verde directamente con respecto a su servicio de suministro electricidad.

Verde está manejado por un equipo de expertos en energía con décadas de experiencia en el suministro de energía y servicios públicos. La experiencia del equipo de Verde en los mercados de energía desregulados les permite ofrecer precios competitivos y un servicio al cliente amigable.

No se requiere ninguna acción de su parte cuando ocurre esta transferencia. Verde honrará su acuerdo actual con Starion y no habrá cambios a los términos o condiciones durante la vigencia de su contrato actual. Esta transferencia no causará una interrupción de sus servicios de electricidad y deberá continuar pagando su factura de «Utility» como es normal y llamar a «Utility» en caso de interrupción o emergencia tal como lo hace hoy. El mismo soporte de calidad y servicio al que está acostumbrado con Starion continuará con Verde.

Si tiene un plan de tarifa fija con Starion, su servicio continuará con la misma tarifa fija hasta el final del plazo de su contrato o tras la cancelación del servicio (se pueden aplicar tarifas por cancelación anticipada si su contrato actual lo prevé). Si actualmente recibe servicios a una tarifa variable con Starion, su servicio continuará bajo la misma tarifa variable de electricidad. También puede ponerse en contacto con Verde directamente para ver qué otras opciones están disponibles para usted, incluidas las nuevas opciones con Verde cuando se expire su contrato.

Si tiene alguna pregunta sobre la transferencia del servicio, comuníquese con Starion antes de November 26, 2018. Para su comodidad, la información de contacto de ambas compañías se muestra a continuación. Le agradecemos la oportunidad de servirle y confiamos en que disfrutará de su nuevo servicio con Verde.
