PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

DEAR MADAM:

I am writing you in response to your letter that I received from the P.U.C. office. The letter states that I failed to maintain evidence of insurance on file with the commission. I did receive a letter from your office in Sept. that this matter was taken care of and I could resume operations, I never let my insurance lapse. The problem occurred when I switched insurance companies. My new insurance company is from New York and they didn't realize that they had to file with you. In addition I called your office and they told me my insurance filed only liability insurance and not cargo. I have contacted my insurance company and should be corrected immediately. THANKS for your attention in this matter
