Name of Utility : Transource/ IEC Project in York County
PUC Case Docket Number # A-2017-2640195 & A2017-2640200
Type of Utility Service: ELECTRIC

I strongly oppose the IEC Project. According to the direct testimony of The PA OCA the project will increase my utility rates. The effects on Pennsylvania consumers would be even more severe than the impact on PJM. Over a 15-year period, consumers in Central and Eastern Pennsylvania would incur increased power costs of more than \$340 million. We as Pennsylvania rate payers should not have to pay more so Washington DC, Southern Maryland and Virginia can pay only a few pennies less.

I understand that this Comment will be placed in a document folder for the review of the presiding officer, the parties to the proposed rate increase and Commission Staff. Further, I understand that by filing this Comment, I will not be a party to the case.
