Data Request**

- 1. Your statement of intended service area is inadequate. In order for this Commission to accept your proposed service area for publishing to the Pennsylvania Bulletin we require that the area be fully bound and easily discernible. This may be achieved by the use of municipal boundaries, roads, railroads, or natural boundaries such as rivers or streams, etc.**

Because Exton is not an incorporated area with designated boundaries it is not acceptable for our purposes. Based on the location of Exton you may wish to consider using the municipality of West Whiteland Township instead. You are also welcome to designate the center of your operating area in other ways, but it must comply with the guidance rendered above.
