Re: Notice of Commercial Customer Assignment
Source Power and Gas LLC (A-2015-2472888) to Direct Energy Business (A-110025)

Dear Secretary Chiavetta:

Pursuant to the Commission's customer assignment rules, Source Power and Gas LLC ("Source") is assigning large commercial and industrial ("C&I") contracts and small C&I contracts to Direct Energy Business, LLC ("DEB") effective on or about December 1, 2018. A summary of Source's affected commercial customers is included in CONFIDENTIAL Attachment A. CONFIDENTIAL Attachment B is a summary of Source's most recent four quarters of gross receipts for the affected customers. Source respectfully requests that the Commission maintain the confidential treatment of these two attachments as they contain specific customer information and competitively sensitive market share information.

Pursuant to Commission requirements, all the affected customer contracts include customer assignment provisions and DEB will maintain the current contracts pursuant to existing terms and conditions (including pricing). A copy of the customer notice that has been sent to the affected customers is provided in Attachment C.

Source is currently compliant with all Pennsylvania requirements and will continue to operate the license in good standing during this transition process.

Copies of the non-confidential versions of this filing have been served in accordance with the attached Certificate of Service.

Sincerely,

Deanne M. O'Dell
