Re: Willard and Elsbeth Sunstein v. PPL Electric Utilities Corporation
Docket No. C-2018-3000078

Your Honor:

Under the Third Interim Order issued on August 8, 2018, the above-captioned matter is currently set for in-person evidentiary hearings on January 24 and 25, 2019. Two days of hearings were scheduled due to Willard and Elsbeth Sunstein ("Complainants") indicating that they would be presenting multiple expert witnesses.

However, under the schedule set by Your Honor, the deadline for the Complainants to serve written expert testimony and exhibits was October 31, 2018, and no such materials have been provided. As Complainants have neither identified expert witnesses nor provided their written direct testimony, PPL Electric Utilities Corporation ("PPL Electric") anticipates there will not be a need for more than one day of hearing.

Therefore, subject to any objection by the Complainants, PPL Electric believes it would be reasonable to cancel the second day of hearings.

Copies of this letter are being provided as indicated on the Certificate of Service.
