Subject: Pre-hearing scheduled for Nov. 14, 2018 / 9:00am

Docket no. C-2018-3001720

Dear Rosemary,

I hope it is acceptable to contact you concerning this matter, if not, please forward to parties involved in my case as noted below.

I will be submitting my evidence to support my standing of my case in writing for private review to parties involved, which I will be mailing overnight on Friday, Nov. 9, 2018 because I have been dealing with a severe viral infection and if continues to progress may need to seek medical attention, so I am not sure if I will be able to effectively represent myself properly, or if at all on Nov. 14 due to my illness and it is hindering my ability to get information to attorney at a reasonable time.

I will be providing, in advance to pre-hearing, to parties listed below all material of fact, affidavits, and other related documents to support my standing and I will be my own witness and representing myself.

If providing the material to administrative law judge in advance of scheduled pre-hearing is not acceptable, please contact me before mailing by phone message before Nov. 9 or please reject materials if mailed prior to receiving message. If I am unable to attend Nov. 14 pre-hearing, due to my illness, I wish to request to reschedule pre-hearing for a later date later within the month of Nov., if possible.

If after private review of all provided material is by administrative law judge is acceptable and if necessary, need to reschedule another phone conference at a later date to further discuss and/or for possible resolution, please contact me by mail. If not, please contact me by mail concerning judge's decision.

I so deeply apologize for any inconvenience this may have caused.
