RE: Docket No. P-2010-2155915: Notice of Lifeline plan Changes

Dear Secretary Chiavetta,

Virgin Mobile USA, L.P. d/b/a Assurance Wireless ("Assurance Wireless") hereby notifies the Pennsylvania Public Utility Commission of two changes to its existing Pennsylvania Lifeline offers.

First, Virgin Mobile is increasing its broadband Lifeline offer to include 2 GB of data per month. Broadband customers will continue to receive 350 domestic voice minutes and unlimited text messages monthly. New Lifeline broadband customers receive the enhanced offer beginning November 20, 2018. Existing Lifeline broadband customers began receiving this new offer based on their normal service cycle beginning November 1, 2018, with all broadband Lifeline subscribers migrated to the new plan no later than December 1, 2018.

Second, Virgin Mobile is increasing its voice-only Lifeline offer to 1,000 domestic voice minutes and unlimited text messages, effective for new Lifeline voice-only customers beginning November 20, 2018. This offer has no data allowance. Existing Lifeline voice-only customers began receiving this new offer based on their normal service cycle beginning November 1, 2018, with all voice-only customers migrated to the new plan no later than December 1, 2018. The voice-only Lifeline plan is available to new customers only upon request. Otherwise, all new Lifeline customers receive service under the broadband plan discussed above.

Assurance Wireless is pleased to provide these offerings to Pennsylvania consumers. Please contact me if you have any questions regarding this matter.

Respectfully Submitted,
