Re: Donna DeSanto Ott v. Metropolitan Edison Company
Docket No. C-2018-3005829

Dear Secretary Chiavetta,

Please file this letter requesting an extended time to answer the New Matter and Preliminary Objections because I was not e-served. I am unable to live in my house and filed this complaint in part to request an ADA accommodation for my disability. My disability, lack of housing, and deteriorating health due to the current metering system have resulted in a lack of consistent wired internet access. For these reasons, and the upcoming holiday so that I may be able to spend some time with my family despite my inability to live in same house with them, I require additional time to complete this. I am requesting an extension until January 7, 2019.

Sincerely,

A handwritten signature in black ink that reads "Donna A DeSanto Ott". The signature is written in a cursive style.

Donna DeSanto Ott

Please reply via email rather than sending anything to my address because I am staying at different places which are low EMF because of my deteriorating health due to Met Ed's Meter.
