SECRETARY'S BUREAU

Dear Judge Vero:

I note that Ms. Lee, PECO's counsel, has requested a continuance for her unavailability. As I am representing myself in this matter, I have no issue with the continuance request. However, I note that in the Answer to the Complaint, Ms. Lee has made factual statements for which no documents have been provided. Specifically, Ms. Lee stated that PECO records reveal that the power outage at issue was caused by a tree branch falling. No such PECO reports have been provided by Ms. Lee to confirm this. Further, despite my requests for a copy of the report(s) of the PECO representative who appeared at my house on August 7, 2018, no such reports have been provided. As such, I formally request that Ms. Lee and PECO provide the reports requested.

Thank you in advance for your assistance in this matter.

Respectfully,

Jeff Klein
