JENNIFER POTORA

v.

PENNSYLVANIA AMERICAN WATER COMPANY

**COMPLAINANT'S EXCEPTIONS TO THE SECRETARIAL
LETTER OF 12/3/18**

JENNIFER POTORA, Complainant, hereby files the following exceptions to secretarial letter of December 3, 2018.

1. Complainant objects to any said order as I never received a copy of the Exceptions by e-mail or by certified mail receipt requested as stated on the letter of December 3, 2018 signed by Rosemary Chiavetta. A copy which is attached. This is the second letter and exceptions I have never received by mail and it stated on all letters she seems to send out.

2. Complainant is requesting that she is provided a mail copy as stated in this secretarial letter dated December 3, 2018 as none has been provided to her as of this date. If this is not the procedure she intends to do then it should not be stated on the letters. I am asking that a copy be provided to me by certified mail receipt requested which would provide that I physically received it as I would have to sign for it.

WHEREFORE, Complainant respectfully requests that she has an extension of time to file the proper exceptions as the order was never provided to as states in the letter once again. Although stated on all the letters she sends out.

Respectfully submitted:

Jennifer Potora
