Enclosure

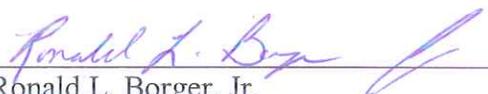

**PPL Electric Utilities Corporation
Response to the Data Request of
The Bureau of Technical Utility Services
Dated December 14, 2018
Docket No. U-2018-3006362**

- Q.1 Reference the Municipal Agreement. PPL Electric has also filed a separate municipal agreement, between PPL Electric Utilities Corporation and Pocono Township, under Docket No. U-2018-3006369 for parcel numbers 17638100730322 and 1763800639175. Please explain.
- A.1 The Stroud Township Sewer Authority (“Authority”) and Pocono Township (“Township”) each hold a pre-existing recorded easement relating to parcel numbers 17638100730322 and 1763800639175, which traverse the frontage of the property. The respective easements are for sanitary sewer purposes. PPL’s new facilities easement will overlap both the Authority and Township’s easements, which required PPL to obtain approval from both entities. Please see Attachment 1 depicting the location of the Authority and Township easements on the property.
