PA PUBLIC UTILITY COMMISSION  
SECRETARY'S BUREAU

Dear Secretary Chiavetta,

This is a request for extension of the time for submitting copies of statements, reports, rebuttal testimony and exhibits to be presented at the hearing. The date listed on the interim Order is December 21, 2018. I am unable to comply with this request by the requested date as I have amended my complaint on 11/09/2018 and have and am receiving new information pertinent to my complaint.

I am also a bit confused by this request? My notes taken during my Pre-Hearing Call-In conference call on August 29, 2018 with The Honorable Judge Elizabeth Barnes indicate that the exhibits were not required by people who are intending to appear in person for their hearing and that this only required for people requesting a telephone hearing. I have requested an in person hearing. Is the submission required in my case?

I am also requesting a continuance of my in person hearing which was scheduled for February 8, 2018 @ 10:00 AM. As I have filed an amended complaint on 11/09/2018 and am continuing to receive, compile and study new information pertinent to my case. In addition I have a scheduled job at work on that day, and several days before and after, 2/08/2018.

Respectfully,

Thomas Maslar
