Re: Commodities Supply Agreement between [insert customer name] and South Jersey Energy (the "Agreement")

Assignment of Agreement to UGI Energy Services LLC

Dear Customer:

It has been our privilege to serve your natural gas needs. However, South Jersey Energy has decided to exit the retail natural gas business. South Jersey Energy has selected UGI Energy Services, LLC (UGI Energy Services), a reputable and licensed natural gas provider, to assume your existing natural gas sales and supply contract. Upon completion of this planned transaction, UGI Energy Services will become your natural gas supplier, effective January 1, 2019, under the same terms and conditions set forth in our existing Agreement.

UGI Energy Services, a Pennsylvania company, is a licensed retail supplier and sells natural gas, liquid fuels and electricity to approximately 13,000 commercial and industrial customers at approximately 36,000 locations in Pennsylvania, New Jersey, Delaware, New York, Ohio, Maryland, Virginia, North Carolina, South Carolina, Massachusetts, Rhode Island, and the District of Columbia. UGI Energy Services is one of the largest marketers of natural gas in the region and has been providing reliable natural gas supplies to its customers since 1985.

How does this news affect you? You shouldn't notice any changes at all. Between now and January 1st, South Jersey Energy will work closely with UGI Energy Services to transfer your account. Both parties are communicating this assignment to regulatory agencies and your local natural gas distribution company.

Pursuant to the provisions of your Agreement with South Jersey Energy, your Agreement may be assigned.

UGI Energy Services will administer your natural gas needs at the same prices, terms and conditions that you currently receive with respect to gas quantities for which you have currently contracted. You will continue to receive the same high quality service you have come to expect from South Jersey Energy.
