Answer to the compliant,

On or about 6 months ago, Christopher Horton, Owner/Operator of Horton Hauling had a seizure and his license was suspended for 6 months. The reason there is no insurance filings in place, is due to the seizure and not operating over that time. Pending being seizure free, Christopher Horton is due to get his license back in February. Christopher Horton and Horton Hauling understands insurance needs to be in place to operate for-hire intrastate. Insurance will be refiled and put in place before operations are started back up.

Thanks,

Christopher Horton, Owner
Horton Hauling
