Dear Commissioner/Secretary:

I am writing on behalf of T&S Limousines. We have been operating since 2005. I wish to offer my apologies and regret for the lack of compliance during the past several months.

Our family has gone through some major challenges since my husband was diagnosed with dementia/alzheimers. Since much of our focus was on dealing with the changes that occurred as a result of my husband's illness, some documents were misplaced in the process, and some transactions and requests were left unattended.

Can we humbly request to be allowed to pay the outstanding fees requested in the Order. Enclosed is the Cashier's check # 76219484-5 in the amount of \$1110.

Can I ask to be advised of any other outstanding fees and filings that the Commission requires. I am available to speak to an officer, if it is at all convenient.

I thank you very much for your understanding.

Respectfully yours,

Solange Douglas
