ORDER

On July 27, 1988, a Petition and Joint Stipulation of All Parties, duly executed, was filed with the undersigned Administrative Law Judge. That Petition and Joint Stipulation presents two matters for decision. First, it requests that the evidentiary record be reopened to admit two documents, PECO Exhibit 12 and OTS Exhibit 5, into that record. The purpose of these documents is to update, clarify and correct certain data and positions on replacement power cost valuation previously submitted for the record. A copy of the proposed PECO Exhibit 12 is attached to the Petition, except that the Company has reserved the right to supplement the Exhibit following its review of OTS Exhibit 5 which has not yet been prepared. Each document is to be submitted for the record supported by an affidavit of the preparing witness as to the accuracy of its calculations.

Second, the Petition and Joint Stipulation requests an extension in the due dates for the Main Brief and Reply Brief as follows:

Main Brief

August 11, 1988

Reply Brief

August 25, 1988

Upon consideration of the Petition and Joint Stipulation; and inasmuch as all parties have joined in and duly executed the Petition and Joint Stipulation; and have had the opportunity or will have the opportunity to review the limited additional data defined therein which is to be added to the record; and as the majority of such data merely updates or corrects prior calculations to add data for months not available at the time of prior hearings on this issue, the requests of the Petition and Joint Stipulation concerning the record inclusion of PECO Exhibits 12 and OTS Exhibit 5 and the deferred briefing dates are hereby granted. This action and Order, however, are not to be construed as granting any request for a further hearing in this proceeding, despite the provisions of paragraph 5 of the Petition and Joint Stipulation. It is further ordered that the aforesaid OTS Exhibit 5 and PECO Exhibit 12 shall be submitted for the record on or before August 2, 1988.
