Dysart, Pennsylvania 16636

Dear Mr. George:

Please know that we are processing your formal complaint against the Pennsylvania Electric Company (Penelec) received January 8, 2019. However, we cannot process the formal complaint against the REA Energy Cooperative, Inc. (REA) because as explained previously in my letter to you dated November 29, 2018, the Commission has no jurisdiction over rural electric cooperatives in Pennsylvania.

The formal complaint against Penelec will be served upon the company, which will be given twenty (20) days to file an answer to the complaint and of which they must send you a copy. Although REA has no obligation to answer the complaint, my staff will send a copy of the complaint to REA with this letter.

The formal complaint against Penelec will then be sent to the Office of Administrative Law Judge for a hearing where you will be given the opportunity to prove your complaint has merit.

Sincerely,

A handwritten signature in black ink, appearing to read "Rosemary Chavetta". The signature is fluid and cursive, with a large initial "R" and "C".

Rosemary Chavetta
