## Re: Major Energy Services LLC (Docket No. A-2009-2118836) - Licensing Update

Pursuant to 52 Pa. Code § 54.34 Major Energy Services LLC ("Major") hereby provides notice to the Pennsylvania Public Utility Commission ("PUC" or the "Commission") that on January 1, 2019 Spark HoldCo, LLC ("HoldCo") completed a management transition ("Transition") as a result of a transaction originally announced on May 4, 2016 when HoldCo indicated it would acquire indirectly 100% of the membership interest in Major pursuant to a Membership Interest Purchase Agreement ("MIPA") entered into by, among others, National Gas & Electric, LLC ("NG&E") and HoldCo on May 3, 2016 (the "Transaction"). While the Transaction closed initially on August 23, 2016, the terms of a corresponding earnout agreement contemplated that certain legacy Major managers would continue to be involved in the management of Major's day-to-day operations until January 1, 2019. Given that the earnout term expired on December 31, 2018, however, effective January 1, 2019, HoldCo assumed full managerial control over Major. Therefore, Major hereby provides the Commission with notice of the change in management effective as of January 1, 2019.

Major will continue operating as a separate entity, will retain its brand name and will continue to operate with no disruption in customer service. Major customers will experience no changes or interruptions in their service as a result of the conclusion of the earnout term. Neither Major nor HoldCo presently intend to make any changes in Major's services or customer population, other than changes made in the ordinary course of business. Major will continue to be operated with business as usual. Major presently has no intention to change rates in connection with the Transition. The Transition will not involve any assignment, transfer or sale of Major's customer contracts or Major's license. Major will continue to have the requisite technical, managerial and financial capabilities. The scope of service provided by Major will not change as a result and Major will continue to serve the same customer classes. The only change is that HoldCo is assuming full managerial control of Major and implementing certain changes of management personnel. As of January 1, 2019, the managerial personnel are the following:

New Officer Slate	Title
CEO	Nathan Kroeker
President	Mark Weiderman
EVP, Retail	Jason Garrett
VP, Chief Financial Officer	Rob Lane
Interim General Counsel and Corporate Secretary	C. Alexis Keene

If you have any questions or require additional information, please do not hesitate to contact the undersigned.
