Dear Chana Daskal:

We are pleased that Meretz Energy Group LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Meretz Energy Group LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Meretz Energy Group LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Meretz Energy Group LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Meretz Energy Group LLC changes in the future, Columbia Gas might deem it appropriate to require Meretz Energy Group LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4217 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

*Patricia Chang*

Re: Dubby Munk, d/b/a Meretz Energy Group

Dear Nicole,

National Fuel Gas Distribution Corporation ("NFGDC") is aware Dubby Munk, d/b/a Meretz Energy Group (MEG) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, MEG must furnish acceptable security to each utility where MEG will do business. As such, under its tariff, NFGDC could require MEG to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that MEG intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, MEG will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, MEG does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by MEG change in the future, NFGDC reserves the right to require security from MEG as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7541.

Yours truly,

Re: Broker Requirements

Dear Meretz Energy Group:

PECO is aware that Meretz Energy Group has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Meretz Energy Group could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Meretz Energy Group has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers, and will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Meretz Energy Group does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Meretz Energy Group the creditworthiness requirement for PECO's exposure to Meretz Energy Group changes in the future, PECO reserves the right to require Meretz Energy Group to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Dear Ms. Benisti:

We are pleased that Meretz Energy Group, LLC has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples Natural Gas Company LLC – Equitable Division, and Peoples Gas Company LLC (formerly Peoples TWP) (“the Companies”).

Since Meretz Energy Group, LLC is not currently serving customers on the Peoples systems, we have determined at this time that Meretz Energy Group, LLC does not need a bond or other financial security requirement to provide these services to the Company’s customers.

If a Pool is established, and customers are enrolled which alters the creditworthiness requirement or the Company’s exposure to Meretz Energy Group, LLC provision of services on the Peoples’ system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

**RE: Dubby Munk d/b/a Meretz Energy Group, LLC  
Application to Serve as a Natural Gas Broker**

Dear Ms. Benisti,

Based on your assertion that Dubby Munk d/b/a Meretz Energy Group, LLC ("MERETZ") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc. ("UGIU") has concluded that MERETZ will not need to post security with UGI Utilities, Inc. – South Rate District ("UGI South"), UGI Utilities, Inc. – North Rate District ("UGI North") or UGI Utilities, Inc. – Central Rate District ("UGI Central"). This is based on the declaration that MERETZ will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU Tariffs. If MERETZ wishes to directly serve Choice customers in the service territories of UGI South, UGI North and/or UGI Central in the future as a natural gas supplier, it will have to post security as specified in the respective UGI Tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.

[Re: 8A. Experience, Plan and Structure – *Applicant's previous experience in the natural gas industry*]

Dubby Munk, the owner, was working for a real estate management company and oversaw finding a supplier to service all their bills. After much research she found the cheapest company to service all the accounts for the company she worked at. She found this job interesting and decided to open an energy brokerage and continue to find people the best rates for their utility bill. Dubby was coached by a (now) friend from one of the ESCO's she worked with. Between working at the real estate management company and brokering all their energy and starting Meretz Energy, I have 4 years of total experience in the natural gas industry.

My (Nicole Benisti) experience in the energy field is mostly from Dubby and self-taught. I have been working at Meretz Energy since its inception two and a half years ago.

[Re: 8A. Experience, Plan and Structure – *Business plans within the Commonwealth*]

Our business plan in the Commonwealth will be the same as in other states we have customers in. When Meretz Energy initially speaks to a customer we explain the whole process thoroughly. We don't quote any accounts without written consent (LOA and LOE). After we get the LOE and LOA we request the bills and evaluate them. At that point we send out a request for the cheapest price from all the suppliers we work with who service that utility. Once we have the cheapest rate we send the customer a proposal, if they want to sign up they sign the contract. We have a no commitment policy, so that no one feels forced into signing a contract. Once we have a countersign from the supplier, we forward to the customer.

There are also instances where we do not feel it is in the best interest of our customer to be contracted into a rate, and we tell our customer.

Our customer's best interest is our best interest. We focus on long term relationships. Our customers have our email address, office number and even cell number, so that if an issue should arise they can speak to us right away. We are always reachable, and eager to help. We pride ourselves in our customer care.
