Docket number A-2014-2416214

SmartEnergy has replaced the Letter of Credit issued last year with a surety bond. Accordingly, we request that the PA PUC return the original LC along with a cover letter stating that the LC is no longer needed. The letter should also state consent to cancel the LC.

Please let me know if you have any questions.

A handwritten signature in black ink, appearing to read "Christina Medina". The signature is fluid and cursive, with a long horizontal line extending to the right.
