RE: Melissa DiBernardino.  
FORMAL COMPLAINT  
Docket No. C-2018-3005025

Dear Secretary Chiavetta:

As State House Representative of the 156<sup>th</sup> Legislative District in Pennsylvania, I write to you today in support of the above referenced complaint, regarding the Sunoco Logistics and the Mariner II Pipeline project. I along with other elected officials, residents, school districts, senior homes, and emergency personnel have had ongoing safety concerns about this project. Townships in my district have also raised concerns and have been holding safety evaluation hearings. Many local citizens are fearful. Ms. DiBernardino has raised these concerns in the aforementioned formal complaint.

The Sunoco Mariner II Pipeline Project runs through the following townships in my district: East Goshen, Thornbury, West Goshen, and Westtown. The pipeline comes within a few hundred feet of the homes, schools, and places of work of some of my constituents.

Chester County's Emergency Responders have worked hard to get as much information as possible from Sunoco Logistics to come up with effective response plans. However, Sunoco has been less than transparent and it is very hard to plan for unknowns.

I hope that the PUC will take the concerns of a local resident and mother to heart. There are many in similar circumstances to hers. I urge the Pennsylvania Utility Commission to act quickly and decisively.

Thank you very much for your attention to this matter.

Sincerely yours,
