Re: Assignment of Customer Contracts from Champion Energy Services (License Number: A-2009-2124113), to North American Power and Gas (License Number: A-2010-2176743)

To Whom It May Concern:

Pursuant to the assignment rules of the Pennsylvania Public Utility Commission, Champion Energy Services, LLC ("Champion") and North American Power and Gas ("NAPG") jointly provide notice of an assignment of residential customer contracts from Champion to NAPG. The effective date of the assignment is expected to occur as soon as practicable on or after March 1, 2019.

Champion and NAPG are affiliated entities with a common corporate parent. Based on internal business decisions, Champion has decided to assign its current residential customers to its affiliate NAPG, which is fully licensed and authorized to serve customers in all of the utilities that serve the customers that will be assigned.

After the transfer, Champion expects to have no remaining residential customers in Pennsylvania. However, Champion will continue to have and service commercial and industrial customers.

Champion and NAPG are compliant with all PaPUC assessments and AEPS obligations. Champion's and NAPG's financial security instruments are not expired and are in compliance.

Champion has included the GRT for the past four quarters for the associated customers as Exhibit 1. NAPG has included the GRT for its Pennsylvania customers for the past four quarters as Exhibit 2. Exhibit 3 provides copies of customer notices. Finally, Exhibit 4 is a certificate of service that constitutes proof that non-confidential copies of this notice have been filed with I&E, OCA, OSBA, the Department of Revenue, Office of Attorney General, and associated EDCs.

Please contact the undersigned with any questions about this matter.

Sincerely,

NO ACTION REQUIRED

This letter is for notification purposes only. No action is required from you, and your service will continue under your current service agreement without interruption.

Dear [Redacted]

Champion Energy Services, LLC ("Champion") has appreciated the opportunity to serve as the Electricity Generation Supplier ("EGS") for your PECO Energy account. However, in accordance with your terms and conditions, we are writing to let you know that Champion will assign your electric service contract with North American Power and Gas ("NAPG"), another EGS licensed by the Pennsylvania Public Utilities Commission, effective with your first meter read date after March 1, 2019. After this date, you should contact NAPG directly regarding your electric supply service.

Champion and NAPG are affiliated entities with a common corporate parent. In fact, many of the employees who work for Champion also work for NAPG. And you will be getting the same level of service as a customer of NAPG as you've come to expect from Champion.

No action is required on your part when this transfer occurs. NAPG will honor all of the terms of your current agreement with Champion, and there will be no changes to the terms or conditions through the life of your current contract. This transfer will not cause an interruption of your electric services and you should continue to pay your PECO Energy bill as normal and call PECO Energy in case of an outage or emergency, just as you do today.

As a customer with a fixed rate plan under PECO's Standard Offer Program, your service will continue with the same fixed rate until the end of your contract term or upon cancellation of service. You may also contact NAPG directly to see what other options are available to you, including new options with NAPG when your contract expires.

If you have any questions about the transfer of service, please contact Champion at 877-404-0842 or NAPG at 888-313-9086.

Kind Regards,

Michael Sullivan
