Re: Docket No. C-2018-3005177

Dear Judge Watson,

We received West Penn Power's Interrogatories and Requests for Production of Documents on January 23, 2019, just two days before their stated deadline for objections. That is certainly not enough time.

Also, due to personal circumstances and caregiving responsibilities during an ongoing elderly parent health crisis, we request a minimum 90 day extension.

We reserve our right to all objections and legal responses, and we stand by our formal complaint against West Penn Power.

Best Regards,

Andrew Sabatini
