### Electronic Data Interchange and Internet Requirements

Any NGS suppliers and/or broker/marketers that wish to use the Electronic Data Interchange (EDI), in the NGDCs where its available, must meet the EDI certification requirements of the NGDC. Certification is a testing process using the Commission approved Internet protocol. To initiate this process, the NGS is encouraged to contact the NGDC as early as possible after filing an application for a license with the Commission, since certification may require as many as four months to complete and customer service contract dates may not commence prior to certification. NGDC requirements of new suppliers may be found on the respective NGDC home web page. Pennsylvania's industry stakeholder group the Electronic Data Exchange Working Group (EDEWG) develops and maintains the EDI transactions and related business practices, which are found on the Pa. PUC website at [http://www.puc.pa.gov/filing\\_resources/issues\\_laws\\_regulations/electronic\\_data\\_exchange.aspx](http://www.puc.pa.gov/filing_resources/issues_laws_regulations/electronic_data_exchange.aspx). The EDEWG meets telephonically the first Thursday of each month at 2:00pm ET to discuss EDI change control requests and other issues.

To keep current with Pennsylvania EDI practices and policies, a newly licensed NGS may choose to participate in the EDEWG by contacting the following:

FIRST: The name of the proposed corporation shall be BAN-TUR, INC.

SECOND: The purposes for which it is to be formed are:

To engage in any activity within the purposes for which corporations may be organized under the New Jersey Business Corporation Act.

To manufacture, purchase, or otherwise acquire, own, mortgage, pledge, sell, assign and transfer, or otherwise dispose of, invest, trade, deal in and deal with, goods, wares and merchandise and real and personal property of every class and description.

To acquire, and pay for in cash, stock or bonds of this corporation or otherwise, the good will, rights, assets and property, and to undertake or assume the whole or any part of the obligations or liabilities of any person, firm, association or corporation engaged in the same or similar business.

To acquire, hold, use, sell, assign, lease, grant licenses in respect of, mortgage, or otherwise dispose of letters patent of the United States or any foreign country, patent

RECEIVED

JAN 24 2019

In general, to carry on any other similar business in connection with the foregoing, and to have and exercise all the powers conferred by the laws of New Jersey upon corporations formed under the act hereinbefore referred to, and to do any or all of the things hereinbefore set forth to the same extent as natural persons might or could do.

The foregoing clauses shall be construed both as objects and powers, and it is hereby expressly provided that the foregoing enumeration of specific powers shall not be held to limit or restrict in any manner the powers of this corporation.

THIRD: The aggregate number of shares which the corporation shall have authority to issue is twenty-six thousand (26,000) divided into three (3) classes. The designation of each Class, the number of shares of each Class and the par value of the shares of each Class are as follows:

<u>Class</u>	<u>Number of Shares</u>	<u>Par Value Per Share</u>
Class A	4,500	\$1,000.00
Class B	1,500	\$1,000.00
Class C	20,000	\$ 1.00

The relative rights, preferences and limitations of the shares of each Class are as follows:

A. The holders of Class B stock shall not be entitled to receive or share in any dividend declared by the Board of Directors of the corporation.

B. The holders of the Class A stock shall be entitled to receive, when and as declared by the Board of Directors of the corporation, out of any assets of the corporation available for dividends pursuant to the laws of the State of New Jer-

sey, preferential dividends at the rate of eight and one-half per centum (8-1/2%) on the par value thereof, per annum and no more, payable annually, on such dates as may be determined by the Board of Directors before any dividend shall be declared or paid upon or set apart for the Class C stock. Such dividends upon the Class A stock shall be cumulative from the date of issue thereof so that if dividends for any past dividend period at the rate of eight and one-half per centum (8-1/2%) on the par value thereof, per annum, shall not have been paid thereon, or declared and a sum sufficient for payment thereof set apart, the deficiency shall be fully paid or set apart but without interest, before any dividend shall be paid upon or set apart for the class C stock. Whenever the full dividends upon the Class A stock for any past dividend periods shall have been paid and the full dividend thereon for the then current dividend period shall have been paid or declared and a sum sufficient for the payment thereof set apart, dividends upon the Class C stock may be declared by the Board of Directors out of the remainder of the assets available therefor.

C. The corporation may, upon approval by a two-thirds (2/3) vote of the holders of each of the Class A and Class B shares, voting separately as a Class, redeem the whole or any part of the outstanding Class A stock at any time by paying One Thousand (\$1,000.00) Dollars for each share thereof, together with a sum of money equivalent to dividends at the rate of eight and one-half per centum (8-1/2%) on the par value thereof per annum from the date on which the dividends thereon became cumulative to the next dividend date following the earli-

est date fixed for such redemption, less the amount of dividends theretofore paid thereon.

Notice of such election to redeem shall be mailed to each holder of stock so to be redeemed at his address as it appears on the books of the corporation, not less than thirty (30) days prior to the date upon which the stock is to be redeemed. If, on or before the redemption date named in such notice, the funds necessary for such redemption shall have been set aside by the corporation so as to be available for payment on demand to the holders of Class A stock so called for redemption, then notwithstanding that any certificate of the Class A stock so called for redemption shall not have been surrendered for cancellation, the dividends thereon shall cease to accrue from and after the date of redemption so designated and all rights with respect to such Class A stock so called for redemption, including any right to vote or otherwise participate in the determination of any proposed corporate action, shall forthwith after such redemption date cease and determine, except only the right of the holder to receive the redemption price therefor, but without interest.

D. In the event of any liquidation, dissolution or winding up of the affairs of the corporation, whether voluntary or involuntary, the holders of the Class A stock shall be entitled, before any assets of the corporation shall be distributed among or paid over to the holders of the Class B and Class C stock, to be paid One Thousand (\$1,000.00) Dollars per share, together with a sum of money equivalent to dividends at the rate of eight and one-half (8-1/2%) per centum per annum on the par

value thereof, from the date or dates upon which dividends on such Class A stock became cumulative to the date of payment thereof, less the amount of dividends theretofore paid thereon.

After the making of such payments to the holders of the Class A stock, the holders of the Class B stock shall be entitled, before any assets of the corporation shall be distributed among or paid over to the holders of the Class C stock, to be paid One Thousand Dollars (\$1,000.00) per share.

After the making of such payments to the holders of the Class A and the Class B stock, the remaining assets of the corporation shall be distributed to the holders of the Class C stock according to the number of shares held by each.

If, upon such liquidation, dissolution or winding up, the assets of the corporation distributable as aforesaid among the holders of the Class A stock shall be insufficient to permit the payment to them of said amount, the entire assets shall be distributed ratably among the holders of the Class A stock. If, after distribution to the holders of the Class A stock, the remaining assets of the corporation distributable as aforesaid among the holders of the Class B stock shall be insufficient to permit the payment to them of said amount, the entire remaining assets shall be distributed ratably among the holders of the Class B stock.

E. The holders of the Class C stock shall have no voting power, all rights to vote and all voting power being vested exclusively in the holders of Class A stock and Class B stock. The holders of Class A stock shall be entitled to one (1) vote for each share of stock held and the holders of Class B

stock shall be entitled to four (4) votes for each share of stock held. At any meeting of shareholders, the affirmative vote of two-thirds (2/3) of the holders of Class A stock and of Class B stock voting separately as a Class shall be necessary to approve the sale of all or substantially all of the assets of the corporation or for the voluntary dissolution of the corporation.

F. No shareholder of this corporation shall by reason of his holding shares of any class have any preemptive or preferential right to purchase or subscribe to any shares of any Class of this corporation, now or hereafter to be authorized, or any shares or other securities, convertible into or carrying options or warrants to purchase shares of any class, now or hereafter to be authorized, whether or not the issuance of any such shares or other securities would adversely affect the dividend or voting rights of such holders, other than such rights, if any, as the Board of Directors, in its discretion from time to time may grant and at such price as the Board of Directors, in its discretion may fix; and the Board of Directors may issue shares of any Class of this corporation or other securities convertible into or carrying options or warrants to purchase shares of any Class, without offering any such shares of any Class, either in whole or in part, to the existing shareholders of any Class.

**FOURTH:** The capital of the corporation shall be at least equal to the sum of the aggregate par value of all issued shares having par value, plus the aggregate amount of consideration re-

ceived by the corporation for the issuance of shares without par value, plus such amounts as from time to time, by resolution of the Board of Directors, may be transferred thereto.

FIFTH: Directors of the corporation shall have no personal liability to the corporation or its shareholders for damages for breach of any duty owed to the corporation or its shareholders, provided that this Article FIFTH shall not relieve a director from liability for any breach of duty based upon an act or omission (i) in breach of the director's duty of loyalty to the corporation or its shareholders, (ii) not in good faith or involving a knowing violation of law or (iii) resulting in receipt by such person of any improper personal benefit.

SIXTH: A. Persons. The corporation shall indemnify, to the extent provided in paragraphs B, D or F:

1. any person who is or was a director, officer, employee, or agent of the corporation or of any constituent corporation absorbed by the indemnifying corporation in a consolidation or merger; and
2. any person who serves or served at the corporation's request as a director, officer, trustee, employee, or agent, of another corporation, partnership, joint venture, sole proprietorship, employee benefit plan, or other enterprise.

B. Extent -- Derivative Suits. In case of a threatened, pending or completed criminal, administrative or arbitra-

7

tive action, suit or proceeding, and any appeal therein and any inquiry or investigation which could lead to such action, suit or proceeding by or in the right of the corporation against a person made in paragraph A by reason of his holding a position named in paragraph A, the corporation shall indemnify him if he satisfies the standard in paragraph C, for expenses (including attorneys' fee but excluding amounts paid in settlement) actually and reasonably incurred by him in connection with the defense or settlement of the action or suit.

c. Standard -- Derivative Suits. In case of a threatened, pending or completed action or suit described in paragraph B of this Section by or in the right of the corporation, a person named in paragraph A shall be indemnified only if:

1. he is successful on the merits or otherwise; or
2. he acted in good faith in the transaction which is the subject of the suit or action, and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, including, but not limited to, the taking of any and all actions in connection with the corporation's response to any offer or proposal of another party to engage in a business combination not approved by the Board of Directors. However, he shall not be indemnified in respect of any claim, issue or matter as to which he has been adjudged liable to the corporation unless (and only to the extent that) the

court in which the suit was brought shall determine, upon application, that despite the adjudication but in view of all the circumstances, he is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

D. Extent -- Nonderivative Suits. In case of a threatened, pending or completed civil, criminal, administrative or arbitral action, suit or proceeding, and any appeal therein and any inquiry or investigation which could lead to such action, suit or proceeding, other than a suit by or in the right of the corporation, together hereafter referred to as a nonderivative suit, against a person named in paragraph A by reason of his holding a position named in paragraph A, the corporation shall indemnify him if he satisfies the standard in paragraph E, for amounts actually and reasonably incurred by him in connection with the defense or settlement of the nonderivative suit, including, but not limited to (i) expenses (including attorneys' fees), (ii) amounts paid in settlement, (iii) judgments, and (iv) fines and penalties.

E. Standard -- Nonderivative Suits. In case of a nonderivative suit, a person named in paragraph A shall be indemnified only if:

1. he is successful on the merits or otherwise; or
2. he acted in good faith in the transaction which is the subject of the nonderivative suit and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, including, but not limited to, the taking

of any and all actions in connection with the corporation's response to any tender offer or any offer or proposal of another party to engage in a business combination not approved by the Board of Directors and, with respect to any criminal action or proceeding, he had no reasonable cause to believe his conduct was unlawful. The termination of a nonderivative suit by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, in itself, create a presumption that the person failed to satisfy the standard of this paragraph E(2).

F. Determination That Standard Has Been Met. A determination that the standard of paragraph C or E has been satisfied may be made by a court or, except as stated in paragraph c(2) (second sentence), the determination may be made by:

1. the Board of Directors or a committee thereof, by a majority vote of a quorum consisting of directors of the corporation who were not parties to or otherwise involved in the action, suit or proceeding; or
2. independent legal counsel (appointed by a majority of the disinterested directors of the corporation, whether or not a quorum) in a written opinion; or
3. the shareholders of the corporation.

G. Proration. Anyone making a determination under

paragraph F may determine that a person has met the standard as to some matters but not as to others, and may reasonably prorate the amounts to be indemnified.

H. Advance Payment. The corporation may pay in advance any expenses (including attorneys' fees) which may become subject to indemnification under paragraphs A-G if the person receiving the payment undertakes in writing to repay the same if it is ultimately determined that he is not entitled to indemnification by the corporation under paragraphs A-G.

I. Nonexclusive. The indemnification and advancement of expenses provided by paragraphs A-H, or otherwise granted pursuant to New Jersey law, shall not be exclusive of any other rights to which a person may be entitled by law, bylaw, agreement, vote of shareholders or disinterested directors, or otherwise.

J. Continuation. The indemnification and advance payment provided by paragraphs A-H shall continue as to a person who has ceased to hold a position named in paragraph A and shall inure to his heirs, executors and administrators.

K. Insurance. The corporation may purchase and maintain insurance on behalf of any person who holds or who has held any position named in paragraph A, against any liability incurred by him in any such position, or arising out of his status as such, whether or not the Corporation would have power to indemnify him against such liability under paragraphs A-H of this Article SIXTH.

L. Savings Clause. If this Article SIXTH or any portion hereof shall be invalidated on any ground by any court

of competent jurisdiction, then the corporation shall nevertheless indemnify each director, officer, employee, and agent of the corporation as to costs, charges, and expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement with respect to any action, suit, or proceeding, whether civil, criminal, administrative, or investigative, including an action by or in the right of the corporation to the full extent permitted by any applicable portion of this Article SIXTH that shall not have been invalidated and to the full extent permitted by applicable law.

SEVENTH: The address of the corporation's initial registered office is 1 Maynard Drive, Park Ridge, New Jersey and the name of the corporation's initial registered agent at such address is John Donnellan.

EIGHTH: The duration of the corporation shall be perpetual.

NINTH: The number of its directors shall not be less than three (3) nor more than twelve (12). Directors need not be stockholders. The names and post office addresses of the directors until the first annual meeting of the stockholders are:

If the scheduled date for the meeting is a legal holiday, the meeting shall be held at the same hour on the next succeeding business day. If for any reason any annual meeting shall not be held at the time herein specified, the directors shall cause the election to be held at a special meeting as soon thereafter as may be convenient. At such special meeting, the shareholders may elect the directors and transact other business with the same force and effect as at an annual meeting duly called and held.

Section 2.03 **Special Meetings.** Special meetings of the shareholders may be called for any purpose or purposes and at any time by a President whenever he deems it necessary or advisable. A special meeting of the shareholders shall be called by a President whenever so directed, in

The notice may be sent to the shareholder at his or her address appearing on the books of the Corporation or to any other business or residence address of the shareholder known to the Corporation. The notice shall be deemed given at the time it is delivered personally, delivered to the courier service, deposited in the United States mail, transmitted by facsimile (and there is no reason to believe it was not received), or delivered by any other method (provided that method is reasonably believed to be as timely and reliable as first class United States mail).

**Section 2.05 Record Date.** The Board of Directors shall fix in advance a record date for determination of shareholders entitled to notice of and to vote at any meeting of shareholders. The record date shall not be more than sixty (60) days nor less than ten (10) days before the date of the meeting.

**Section 2.06 Voting List.** The secretary or stock transfer agent or registrar of the Corporation shall prepare a complete list of the shareholders entitled to vote at each shareholders' meeting or any adjournment thereof. The list may consist of cards arranged alphabetically or any equipment which permits the visual display of the information required by this section. The list shall be:

- (a) arranged alphabetically within each class, series, or group of shareholders maintained by the Corporation for convenience of reference, with the address of and the number of shares held by, each shareholder;
- (b) produced (or available by means of a visual display) at the time and place of the meeting;
- (c) subject to the inspection of any shareholder for reasonable periods during the meeting; and
- (d) prima facie evidence as to who are the shareholders entitled to examine such list or to vote at any meeting.

**Section 2.07 Inspectors.** The Board of Directors may, in advance of any shareholders' meeting, appoint one or more inspectors to act at the meeting or any adjournment thereof. **Section 2.08 Proxies.** Every shareholder entitled to vote at a shareholder meeting may authorize another person or persons to act for him or her by proxy. Every proxy shall be executed by the shareholder or his or her agent, but a proxy may be given by telegram, cable, or any other means of electronic communication that results in a writing. No proxy shall be valid after eleven months from the date of its execution unless a longer time is expressly provided therein. Unless a proxy is irrevocable as provided in Section 14A:5-19(3) of the New Jersey Business Corporations Act, a proxy shall be revocable at will. A proxy shall not be revoked by the death or incapacity of the shareholder, but the proxy shall continue in force until revoked by the personal representative or guardian of the shareholder. The presence at a meeting of any shareholder who has given a proxy shall not revoke the proxy unless the shareholder (i) files written notice of the revocation with the Secretary of the meeting prior to the voting of the proxy or (ii) votes the shares subject to the proxy by written ballot. A person named as proxy of a shareholder may, if the proxy so provides, substitute another person to act in his or her place, including any other person named as proxy in the same proxy. The substitution shall not be effective until an instrument effecting it is filed with the secretary of the meeting.

**Section 2.09 Quorum.** The presence in person or by proxy of the holders of shares entitled to cast a majority of the votes at the meeting shall constitute a quorum for the transaction of business. The shareholders present in person or by proxy at a duly organized meeting may continue to do business until adjournment, notwithstanding the withdrawal of enough shareholders to leave less than a quorum. Less than a quorum may adjourn a meeting.

**Section 2.10 Voting Rights.** Each share of stock shall entitle the holder to the vote set forth in the Company's Certificate of Incorporation. In the election of directors, a plurality of votes cast shall be sufficient to elect. Any and all other actions shall be authorized by a majority of the votes cast except where the New Jersey Business Corporations Act requires a greater proportion of votes.

**Section 2.11 Officers of Meetings.** A president shall preside at all meetings of shareholders. In the absence of a president, the most senior vice president shall preside unless the board has provided for someone else to preside. The secretary shall act as secretary of all meetings of shareholders. In the absence of the secretary, any assistant secretary who is present shall act as secretary of the meeting. If no assistant secretary is present, the presiding officer shall designate a secretary of the meeting.

**Section 3.01 Management Authority.** The business and affairs of the Corporation shall be managed under the direction of its Board of Directors (the Board), subject only to the limitations

imposed by law and by the Corporation's certificate of incorporation.

**Section 3.03 Qualification of Directors.** No person shall be eligible to be elected a director who is under the age of 21 or over the age of 65 on the date of the election. A director need not be a United States citizen, resident of the State or shareholder of the Company.

- (a) Repeated failure to attend meetings or to maintain a reasonable degree of familiarity with the business conducted by the Board;
- (b) Any conduct as a Board member or individually which is disloyal or contrary to the interests of the Corporation, such as seeking or obtaining an improper personal benefit on account of the Director's position, exploiting for personal benefit information obtained as a Director, or engaging in activities directly or indirectly in competition with the Corporation; or
- (c) Engaging in any action that is likely to result in embarrassment or ignominy to the Board or the Corporation.

**Section 3.08 Vacancies.** Any vacancy in the Board, however caused, may be filled by the affirmative vote of a majority of the remaining Directors, even if less than a quorum of the Board, or by a sole remaining Director. Each Director so elected shall hold office until the next succeeding annual meeting of the shareholders and until his successor shall have been elected and qualified. A vacancy in the Board shall be deemed to exist in the case of death, resignation or removal of any Director, or if the number of authorized Directors is increased. No reduction of the number of Directors shall have the effect of removing any Director prior to the expiration of his or her term of office.

**Section 3.09 Place of Meeting.** All meetings of the Board shall be held at the principal business office of the Corporation or at such place or places as the Board may from time to time determine.

**Section 3.10 Use of Communications Equipment.** If the Board determines it to be appropriate, any Director may participate in a meeting of the Board by means of conference telephone or any other means of communication by which all persons participating in the meeting are able to hear each other.

**Section 3.11 Regular Meetings.** Regular meetings of the Board shall be held at such times as the Board by resolution shall determine. A regular meeting of the Board shall be held without notice.

**Section 3.12 Special Meetings.** A special meeting of the Board may be called for any purpose at any time by a President or any two (2) Directors. The meeting shall be held upon not less than three (3) days notice provided such notice is given in person or by telephone, facsimile transmission or overnight courier delivery service, or upon not less than five (5) days notice if delivered by depositing such notice in the United States Mail, first class postage prepaid. Notice shall be deemed given at the time it is given orally, the facsimile transmission is originated (and there is no reason to believe it was not received), it is delivered to the overnight courier service, or it is deposited in the United States Mail. The notice shall specify the time and place, and may, but need not, specify the purposes, of the meeting.

**Section 3.13 Waivers of Notice.** Notice of any meeting of the Board need not be given to any Director who signs a waiver of notice, whether before or after the meeting. The attendance of any Director without protesting prior to the conclusion of the meeting the lack of notice of such meeting shall constitute a waiver of notice by him.

**Section 3.14 Quorum.** The presence at a meeting of a majority of the Directors of the entire Board shall constitute a quorum for the transaction of business.

**Section 3.15 Voting.** Each Director shall have one vote at meetings of the Board, unless otherwise specified in the Corporation's Certificate of Incorporation.

**Section 3.16 Votes Required.** Any action approved by a majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board.

**Section 3.17 Presiding Officer.** The Chairman of the Board shall preside at all meetings of the Board at which he or she is present. In the absence of the Chairman, a President shall preside. The Secretary or, in the absence of the Secretary, an Assistant Secretary, shall record the minutes of the meeting. If neither of them is present, the presiding officer shall designate a secretary to record the minutes of the meeting.

**Section 3.18 Adjournment.** Any meeting of the Board at which a quorum is present may be adjourned to meet again at a time and place specified by the Board when it adjourns the meeting. No notice of the time and place of the adjourned meeting need be given if it is to be held within three days of the date fixed for the adjourned meeting.

**Section 3.19 Action Without Meeting.** Any action required or permitted to be taken by the Board by law, the certificate of incorporation, or these By-Laws may be taken without a meeting, if prior or subsequent to the action, each member of the Board consents in writing to the action. A consent may be given by cable or telegram or by facsimile. Each written consent shall be filed with the minutes of the proceedings of the Board. Action by the Board by written consent shall have the same force and effect as a unanimous vote of the Directors for all purposes. Any certificate or other document which relates to actions taken by consent may state that the action was taken by unanimous written consent of the Board of Directors without a meeting.

**Section 3.20 Expenses and Compensation of Directors.** The Directors of the Board may receive compensation for their service as Directors, and reimbursement for reasonable expenses incurred in connection with attending meetings of the Board or committee meetings as determined from time to time by the Board by resolution.

## **ARTICLE IV.**

### **COMMITTEES**

**Section 4.01 Establishment of Committees; Executive Committee.** The Board may, by resolution adopted by a majority of the entire Board, designate from among its members an Executive Committee and one or more other additional committees, each of which shall consist of two (2) or more persons. Subject to the limitations contained in Section 4.07, the Executive Committee shall have and may exercise all of the authority of the Board. Each other committee shall have whatever authority, not exceeding the authority of the Executive Committee, as is specifically provided by the Board. Each committee that is delegated the power to act on behalf of the Corporation (a Board Committee) shall consist exclusively of Directors. A majority of the members of each other committee (Advisory Committees) shall be Directors. The other members may be officers or other employees of the Corporation or other persons who have experience, expertise, or a special background of value to the areas of responsibility of the committee.

**Section 4.02 Vacancies.** Vacancies occurring from time to time in the membership of any committee may be filled by the Board for the unexpired term of the member whose death, resignation, removal or disability causes the vacancy, and shall be so filled if as the result of the vacancy, there shall be less than two (2) Directors on the committee, or, in the case of the Executive Committee, if the Chairman of the Board shall be the person whose death, resignation, removal, or disability causes the vacancy.

**Section 4.03 Meetings.** Each committee shall adopt its own rules of procedure and shall meet at whatever times it may determine and shall also meet whenever a meeting is called by the Chairman of the committee. Members of committees may attend meetings through the medium of communications equipment (in the same manner as may members of the Board), and any committee may act by unanimous written consent in lieu of a meeting (in the same manner as may the board).

**Section 4.04 Notice of Meetings.** If the committee establishes regular meeting dates, it shall not be necessary to give notice of a regular meeting. Notice of every special meeting shall be

given in the manner and within the time periods specified in these by-laws with respect to notices of special meetings of the Board. Notice of any special meeting may be waived in writing by all the absent members of the committee either before or after the meeting.

**Section 4.05 Quorum.** A quorum at any meeting of a committee shall be the presence of a majority of the members of the entire committee. In the case of the Executive Committee, however, a quorum shall be not less than two (2) members. Every act or decision done or made by a majority of the Directors present at a committee meeting duly held at which a quorum is present shall be regarded as the act of the committee.

**Section 4.06 Reports.** Actions taken at a meeting of any committee shall be reported to the Board at its next meeting following the committee meeting, except that when the meeting of the board is held within two days after the committee meeting, the report shall, if not made at the first meeting, be made to the board at the second meeting following the committee meeting.

**Section 4.07 Limitations of Powers.** No committee of the Board shall have authority to do any of the following:

- (a) make, alter or repeal any by-law of the corporation;
- (b) elect or remove any director, or remove any officer who may be elected or appointed only by the board;
- (c) submit to shareholders any action that requires shareholders' approval;
- (d) amend or repeal any resolution theretofore adopted by the board which, by its terms, is amendable or repealable only by the board;
- (e) fix the compensation of any officer who is a member of the committee for serving as an officer of the Corporation.

**Section 4.08 Powers of the Board.** The Board shall have the power to

- (a) fill any vacancy in any committee;
- (b) appoint one or more directors to serve as alternate members of any committee to act in the absence or disability of any member of that committee with all the powers of the absent or disabled members;
- (c) abolish any committee at its pleasure; and
- (d) remove any director from membership on any committee at any time, with or without cause.

## ARTICLE V.

Section 5.01 **Officers Enumerated.** The Board shall elect a Chairman of the Board, one or more Presidents, one or more Vice Presidents, including Executive, Senior and Assistant Vice Presidents, a Treasurer, and a Secretary. Any two or more offices may be held by the same person. The Chairman of the Board and each President shall be a Director.

Section 5.02 **Additional Officers.** The Board may from time to time elect any other officers it deems necessary, who shall hold their offices for the terms and have the powers and perform the duties that shall be prescribed from time to time by the Board.

Section 5.03 **Election and Term of Office.** Each officer shall hold office until the next annual election of officers, and until his or her successor has been elected and has qualified, unless he or she is earlier removed. All officers of the Corporation shall hold office at the pleasure of the Board.

Section 5.04 **Vacancies.** Any vacancy in any office may be filled by the Board.

Section 5.05 **Removal and Resignation.** Any officer may be removed, either with or without cause, by the Board or by any officer upon whom the power of removal has been conferred by the Board. Removal of an officer shall be without prejudice to the officer's contract rights, if any. Election or appointment of an officer shall not of itself create contract rights. Any officer may resign at any time by giving written notice to the Board or to a President. A resignation shall take effect on the date of the receipt of the notice thereof by the Corporation or at such subsequent time as shall be specified in the notice of resignation.

Section 5.06 **Powers and Duties.** The officers shall each have such authority and perform such duties in the management of the Corporation as from time to time may be prescribed by the board and as may be delegated by the chairman or president. Without limiting the foregoing, the following officers shall have the following authority:

- (a) President. A President shall, subject only to the direction and control of the Board and Executive Committee, have general charge and supervision over and responsibility for the business and affairs of the Corporation and the authority to instruct, direct, and control its other officers, employees, and agents. A President may enter into and execute in the name of the corporation, contracts or other instruments in the regular course of business or contracts or other instruments not in the regular course of business that are authorized, either generally or specifically, by the Board. In no event shall a contract or other

obligation be deemed to be in the regular course of business if it obligates the corporation to expend a sum, or provide services or goods of a value, that exceeds \$250,000.00. A President shall have the power to appoint, fix the compensation of and suspend or remove all employees of the corporation, including officers. The appointment, suspension, removal and fixing the compensation of officers by a President shall be subject to whatever guidelines are adopted from time to time by the Board. A President shall have the general powers and duties of management usually vested in the office of President of a corporation and shall have such other powers and duties as may be prescribed by the Board.

(b) Chairman of the Board. The Board in its discretion may choose from among its members a Chairman (the "Chairman of the Board"). The general powers and duties of the Chairman of the Board shall be to preside and manage all regular and special meetings of the Board and be a member of each and every committee established by the Board.

(d) Vice Presidents. Each vice president shall perform the duties that may, from time to time, be assigned to him or her by a President, or the Board. Vice presidents shall report and be subject to the supervision of a President in the performance of their duties unless otherwise specified by the Board. In the absence of a President or in the event of the death, inability, or refusal to act by any President, the vice presidents in the order designated at the time of their election by the Board (or in the absence of any designation, then in the order of seniority) shall perform the duties of the President. For these purposes, an Executive Vice President shall be deemed senior to all other vice presidents.

(e) Secretary. The secretary, or any assistant secretary, shall cause notices of all meetings to be served as prescribed in these by-laws and shall keep the minutes of all meetings and written consents of the shareholders and Board. The secretary shall have charge of the seal of the Corporation and shall perform whatever other duties and possess whatever other powers as are incident to the office or as are assigned by a President, or the Board.

(f) Treasurer. The treasurer shall have custody of the funds and securities of the Corporation and shall keep or cause to be kept regular books of account for the Corporation. The treasurer shall account to a President, or the Board, whenever they may require, concerning the treasurer's transactions and concerning the financial condition of the Corporation. The treasurer shall perform the duties and possess whatever other powers are incident to the office or are assigned by a President, or the Board.

## ARTICLE VI.

All certificates of capital stock of the Corporation shall be signed by the Chairman of the Board or a President and countersigned by the secretary, any assistant secretary, the treasurer or any assistant treasurer. There shall be entered upon the stock book of the Corporation at the time of issuance of each share of capital stock in the Corporation the number of certificates issued, the name and address of the persons owning the shares represented thereby, the number of such shares and the date of issuance thereof. Every certificate exchanged or returned to the Corporation shall be marked "cancelled" with the date of cancellation. The certificates may, but need not, be sealed with the seal of the Corporation, or a facsimile of the seal.

**Section 6.03 Address of Shareholders.** Each shareholder shall designate to the secretary of the Corporation an address at which notice of meetings and all other corporate notices may be served, delivered or mailed, and if any shareholder shall fail to designate such address, all corporate notices may be served upon him at his last know post office address.

**Section 6.04 Transfer of Securities.** Transfers of shares of the capital stock of the Corporation shall be made on the books of the Corporation by the holder of record thereof or by that person's attorney thereunto duly authorized by a power of attorney duly executed in writing and filed with the secretary of the Corporation or with a transfer agent and on surrender of the certificates representing such shares. Notwithstanding anything to the contrary contained in these By-laws, the Corporation shall not be required or permitted to make any transfer of shares of the Corporation which would violate the terms or provisions of any valid and enforceable agreement restricting the transfer of shares of the Corporation to which the Corporation is a party.

**Section 6.05 Lost, Stolen and Destroyed Certificates.** The holder of any shares of the Corporation shall immediately notify the secretary of the Corporation of any loss, destruction or mutilation of the certificate thereof, and the Board, in its discretion, may cause to be issued to him/her a new certificate or certificates of stock upon surrender of the mutilated certificate or, in the case of loss or destruction of the certificate, upon satisfactory proof of such loss or destruction, and the Board, in its discretion, may require the owner of the lost or destroyed certificate or his legal representative to provide the Corporation a bond, in such sum (not exceeding 1.5 times the value of such shares) with such surety or sureties as it may direct, to indemnify the Corporation against any claim that may be made against it on account of the alleged loss or destruction of any such certificate.

**Section 6.06 Record Date for Dividends or Rights.** The Board may fix a record date in advance of which shares of stock shall be held of record to entitle a shareholder to the payment of any dividend, to the allotment of rights, or to exercise rights in respect to any change, conversion or exchange of capital stock of the Corporation. The record date shall not be more

than sixty (60) days or less than ten (10) days preceding the date of the dividend payment, or the allotment of rights, or the date when the change, conversion or exchange of capital stock shall take effect. Only shareholders of record on the record date shall be entitled to receive or exercise the rights or benefits when they shall accrue, notwithstanding any transfer of any stock on the books of the Corporation subsequent to the record date.

**Section 6.07 Issuance of Shares.** Shares of the capital stock of the Corporation which have been authorized but not issued may be sold or issued from time to time for such consideration as may be determined by the Board.

## **ARTICLE VII.**

### **DIVIDENDS AND FINANCE**

**Section 7.01 Dividends.** The Board from time to time, in its discretion, may fix and vary the amount of the working capital of the Corporation and determine what, if any, dividends shall be declared and paid to the shareholders out of surplus of the Corporation. The Board, in its discretion, may use and apply any such surplus in purchasing or acquiring any of the shares of the Corporation in accordance with the law or any bond, debentures, securities or other obligations, or from time to time may set aside from such surplus such sum or sums as it, in its absolute discretion, may deem proper as a reserve fund to meet contingencies or for any other purpose it may deem conducive to the best interest of the Corporation.

**Section 7.02 Fiscal Year.** The Fiscal year of the Corporation shall end on the last day of December in each year and shall begin on the next succeeding day, or shall be for such other period as the Board may from time to time designate by resolution.

## **ARTICLE VII**

### **CORPORATE SEAL**

**Section 7.03 Corporate Seal.** The Corporation shall have a corporate seal which shall have inscribed thereon the name of the Corporation and the words or figures denoting its organization under the laws of the State of New Jersey and the year thereof, and otherwise shall be in such form as shall be approved from time to time by the Board.

## **ARTICLE VIII.**

made, by the shareholders or by the Board, except as otherwise provided by the New Jersey Business Corporation Act. ## **ARTICLE IX.**

### **FORCE AND EFFECT**

**Section 9.01 Force and Effect.** These By-Laws are subject to the provisions of the New Jersey Business Corporation Act and the Certificate of Incorporation of the Corporation, as the same may be amended from time to time.
