Re: Donna DeSanto Ott v. Metropolitan Edison Company
Docket No. C-2018-3005829

Dear Secretary Chiavetta,

I must regret that I will need to withdraw my complaint due to my worsening health situation due to Met Ed's smart meter. This has rendered me unable to pursue this complaint process, particularly in light of Med Ed's burdensome discovery requests during a time when I was granted relief to rest and recover. I may pursue an ADA complaint in the future.

Sincerely,

Donna A DeSanto Ott
