As I've stated numerous times

ORIGINAL

This Entire issue is that PECO  
(I've at best) raised my Electric Rates,  
I then sent them notice of my  
no income status, the fact that it  
is reflected now proves it should  
have been enacted when my rates went  
up as I sent proof numerous times to  
PECO front personnel. Yet no adjustment to  
my bill (which is inaccurate due to this)

DOCUMENT  
FOLDER

I simply wanted my bill to  
be accurate yet no adjustments to  
my bill even though they had proof to verify  
my no income status for over 2yr!!  
(proof of this entered into case)

The way this entire matter has  
been handled is preposterous and defies  
logic!!! to this day my bill still hasn't

reflected ANY  
adjustments  
what so ever!!!

Sincerely  
Tony D'Amico
