**MOTION OF METROPOLITAN EDISON COMPANY TO DISMISS COMPLAINT OF  
LEWIS B. SMITH, JR. FOR FAILURE TO COMPLY WITH ORDER**

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

Metropolitan Edison Company (“Met-Ed” or the “Company”) by and through its attorneys, Lauren M. Lepkoski and Tori L. Giesler, and pursuant to 52 Pa. Code §§ 5.245, 5.371-5.372, hereby files this Motion to Dismiss the complaint of Lewis B. Smith, Jr. (“Complainant”) for his failure to comply with Administrative Law Judge (“ALJ”) Jeffrey A. Watson’s Order to respond to discovery propounded by Met-Ed. In support thereof, the Company avers as follows:

**I. BACKGROUND**

1. On February 16, 2018, the Complainant filed a Formal Complaint with the Pennsylvania Public Utility Commission (“Commission”) regarding 2782 Hunters Hampton Road, New Oxford, Pennsylvania 17350 (“Service Location”) under Account No. 100020018824 (“Account”) which was electronically served on the Company on March 5, 2018.

2. On March 26, 2018, the Company filed its Answer and New Matter denying the material allegations. On the same day, the Company also filed Preliminary Objections to the Formal Complaint.

3. On April 27, 2018, a Motion Judge Assignment Notice was issued where the parties were informed that ALJ Watson was assigned to rule on the Company’s Preliminary Objections.

4. On May 4, 2018, ALJ Watson issued an Interim Order which denied the Company's Preliminary Objections and referred the Complaint for mediation review.

5. On June 13, 2018, ALJ Watson issued an Interim Order which denied the Company's Preliminary Objections and referred the matter to mediation.

6. On May 18, 2018, an Interim Order Setting Resolution Conference was issued.

7. The Company's mediation efforts were unsuccessful and, by letter dated October 18, 2018, the Company advised Mediator Cynthia Lehman that the Complaint should move forward with the litigation process.

8. On November 20, 2018, in accordance with 52 Pa. Code § 5.341, the Company forwarded to the Complainant interrogatories and document requests ("Discovery Requests") via first class mail. In its Discovery Requests, the Company sought information and documents related to the Complainant's allegations regarding the Company's smart meters. A full copy of the Company's Discovery Requests is attached as Exhibit A.

9. The Complainant did not file any objection to the Discovery Requests and did not provide any responses or the requested documents by the due date.

10. In addition, at no point did the Complainant contact the Company to discuss the Discovery Requests or to seek an extension of time to respond to the Discovery Requests.

11. On January 30, 2019, the Company filed with the Commission a Motion to Compel Responses to Interrogatories and Document Requests.

12. On February 6, 2019, ALJ Watson issued an Interim Order which granted the Company's Motion to Compel and directed the Complainant to serve upon counsel for Respondent, full and complete responses to all of the Discovery Requests served upon

Complainant by the Company and file a certificate of service with the Commission's Secretary not later than February 19, 2019.

13. To date, no response to the Discovery Requests has been received from Complainant in contradiction to ALJ Watson's Interim Order of February 6, 2019.

14. On February 21, 2019, an Interim Order Establishing Initial Litigation Schedule was issued which set forth the schedule for discovery, the identification of witnesses, and filing of motions in this proceeding. Relevant to this Motion, ALJ Watson issued a discovery deadline of June 10, 2019.

15. The Company now files this Motion to dismiss the Formal Complaint of the Complainant due to his failure to abide by the Interim Order of ALJ Watson and for his failure to even acknowledge receipt of the Company's Discovery Requests.

## **II. MOTION TO DISMISS**

16. The Commission's regulations permit the discovery of "any matter, not privileged, which is relevant to the subject matter involved in the pending action." 52 Pa. Code § 5.321(c).

17. Generally speaking, this Commission applies a standard of relevance which is less restrictive than that required by parties to present information into the evidentiary record. It is not grounds for objection that the information sought will be inadmissible at hearing if the information sought appears reasonably calculated to lead to the discovery of admissible evidence. 52 Pa. Code § 5.321(c).

18. Discovery may be obtained regarding any matter relevant to the subject matter. Relevant evidence is evidence that tends to make an act at issue more or less probable. Moreover, evidence is relevant if it advances the inquiry in some degree and, thus, has probative value. Although the law does not furnish an absolute test of relevancy, the Pennsylvania Supreme Court

follows a two-part analysis for determining relevance. In *Commonwealth v. Stewart*, 461 Pa. 274, 336 A.2d 282 (1975), the Court held that “[i]t must be determined first if the inference sought to be raised by the evidence bears upon a matter at issue in this case and, second, whether the evidence renders the desired inference more probable than it would be without the evidence. *Id.* at 284.

19. The information sought here by the Company is relatively simple and straightforward. It is directly relevant and material to the issues raised by the Complainant. The Company is entitled to the requested information to enable it to fully investigate and defend against the Complainant’s allegations.

20. The Commission’s regulations at 52 Pa. Code § 5.371 address the consequences of a participant’s failure to comply with the Commission’s discovery regulations and provides that the Commission or the presiding officer may, on motion, make an appropriate order if a party fails to appear, answer, file sufficient answers, file objections, make a designation or otherwise respond to discovery requests.

21. Further, 52 Pa. Code § 5.372 provides that the presiding officer may impose appropriate sanctions upon a party found to be found in violation of the obligations set forth in the Commission’s regulations.

22. The Complainant has failed to provide any responses to the Company’s Discovery Requests in contradiction to the Interim Order issued by ALJ Watson.

23. The Complainant’s actions demonstrate a consistent lack of cooperation and willingness to participate in this proceeding as required under the Commission’s regulations. As a result, the Formal Complaint in this proceeding should be dismissed in its entirety.

WHEREFORE, Metropolitan Edison Company respectfully requests that the Commission dismiss, with prejudice, the Complaint of Lewis B. Smith, Jr.

Respectfully submitted,
