**Re: Duquesne Light Company – Errata to Supplement No. 194 to Tariff Electric - PA
P.U.C. No. 24
Docket No. R-2019-3007701**

Dear Secretary Chiavetta:

On February 6, 2019, Duquesne Light Company (“Duquesne Light” or the “Company”) filed Supplement No. 194 to Tariff Electric - PA. P.U.C. No. 24. Supplement No. 194 contained a typographical error. Specifically, at proposed Rule No. 9(B), the reference to “Docket No. P-2015-249726” should read “Docket No. P-2015-2497267”. Therefore, enclosed for filing, please find a corrected copy of Supplement No. 194.

Additionally, the Company respectfully requests that the Secretary’s Bureau publish notice of Supplement No. 194 in the *Pennsylvania Bulletin*. The Company included this request in the supporting documentation filed along with Supplement No. 194 on February 6, 2019, but the request was mistakenly omitted from the accompanying cover letter. Should you have any questions, please do not hesitate to contact me.

Respectfully Submitted,

A handwritten signature in blue ink, appearing to read "Michael Zimmerman".

Michael Zimmerman
Counsel, Regulatory

RULES AND REGULATIONS - (Continued)**INSTALLATION OF SERVICE - (Continued)****9. RELOCATIONS OF FACILITIES – (Continued)****A. Pole Removal or Relocation for Residential Customers – (Continued)**

- (2) **Direct labor costs** - Includes pay and expenses of public utility employees directly attributable to work performed on pole removals or relocations. Excludes payroll taxes, workmen's compensation, similar items of expense and construction overhead costs.
- (3) **Direct materials costs** - Includes the purchase price of materials used in performing a pole removal or relocation and excludes the related stores expenses. Proper allowance shall be made for unused materials, and materials recovered from temporary structures, and for discounts allowed and realized in purchase of materials.
- (4) **Income tax** - Federal and State tax relating to the tax liability of contributions in aid-of-construction.

B. Meter Relocation for all Customers

(C)

Pursuant to Act 129 of 2008; the Commission's Smart Meter Procurement and Installation Implementation Order entered June 24, 2009, at Docket No. M-2009-2092655; and Duquesne Light's Smart Meter Procurement and Installation Plan, approved in relevant part by Order entered April 7, 2017, at Docket No. P-2015-2497267; smart meter(s) conforming to Company standards must be installed at each metered service premises. Customers may not decline smart meter installation for any reason. Instead, as their sole remedy, customers may designate an alternative location on the premises for the smart meter. The Company shall relocate the smart meter to such alternative location where (i) the relocation (including associated customer service equipment) conforms to the Company's "Electric Service Installation Rules" (see Rule No. 6) and the National Electric Safety Code, as determined by the Company in its sole judgment; (ii) the relocation can be readily, safely, and reliably interconnected to the Company's facilities, as determined by the Company in its sole judgment; (iii) the customer provides any easements, permits, or other governmental or third-party approvals the Company deems necessary to accommodate such relocation; and (iv) the Company receives, in advance, payment for the Company's estimated total direct and indirect costs including the related income tax of such relocation.

(C)

C. Other Company Facilities for all Customers

(C)

When requested or required by the action of a customer or a third party, relocation of Company facilities, except those covered under Section A of this Rule, will be performed by the Company upon receipt, in advance, of the Company's estimated total direct and indirect costs including the related income tax of such relocations from the customer or such third party. The Company may waive charges under this rule if, in the Company's judgment, the location of the Company's existing supply line and/or service line on the customer's property restricts the growth of the customer's operations and the potential increase in the Company's revenues.
