Re: Evelyn D. Dreher v. Metropolitan Edison Company

Docket No. C-2018-3005217

Request for Protective Order

Honorable Judge Jeffrey A Watson,

Enclosed please find my request to file for issuance of a Protective Order to ensure that adequate procedural safeguards are put in place to make certain that the sensitive information legal counsel for Metropolitan Edison Company requested is not improperly disclosed to the public. I have been made aware by legal counsel for Metropolitan Edison that I am entitled to pursue such protective order as to protect my husband's sensitive and private medical information as well as my own.

As mentioned in my response to the Motion to Compel filed by legal counsel for Metropolitan Edison, I am aware that the hearings and proceeding in such cases as these are posted to the website for the Public Utilities Commission as public record. I do not wish to have my personal information, my husband's personal information or our physician's information posted as public record.

Please advise me as to the steps I need to take to safeguard this information.

Signed this 20th day of February 2019
