RE: Coby Dulitzki v. Philadelphia Gas Works, Docket No. C-2018-3006828

Dear Mr. Dulitzki:

Pursuant to our settlement conference held earlier today, this letter confirms the terms of the settlement of the above captioned matter.

In complete settlement of this matter, you have discussed your concerns with your account with PGW. The parties acknowledge and agree to the following:

1. This matter involves the dispute of a bill (\$1,647.64) for previously unbilled service on your account for gas service at your former residence 1102 S. 46th Street, Philadelphia, Pa., PGW Acct. No. 283957933 (Service Address). Your account was re-billed after the discovery of a metering error.
2. PGW will remove from your account the disputed of \$1,647.64, reducing the final balance of that account to \$0.
3. PGW apologizes for the error and any inconvenience you experienced in having this matter investigated and brought before the Pennsylvania Public Utility Commission.
4. You have indicated that you are satisfied with the resolution of your complaint and you no longer wish to pursue the above captioned matter against PGW.

If you need any additional information, please contact me at the direct dial number above. Thank you.

Sincerely,

Laureto Farinas
