RE: Exceptions for C-2018-3005910

The purpose of this letter is to hopefully come to an agreement to keep service w/ Pgw. at my home.

All I want is to come to an agreement with Pgw to obtain A second payment arrangement agreement with the P.U.C.

In the past as it shows my track record - I was unable to keep and make payments having gone through hardship and barely making ends meet supporting myself and my child. That is not my current situation. In 2019 at this time I am working fulltime making 34,000 a year as of 2018. Moving forward if I am granted A second agreement I ~~am~~ am able to make payments as I am suppose to. on A monthly basis. I can't stress enough ~~how~~ how I do not have 4,400 to pay in full upfront. I pay rent, pco, food bus transportation and help my child. if I am granted an agreement I hope ~~it~~^{it} can include A portion to ~~be~~ go to the balance of the 4,400 as I pay my current charges.

I thank you for taking time to read this letter.

Thank You,
P. Gray
