Re: Complaint against Shakeel Imran (DOCKET NO. C-2019-3007903).

It is respectfully submitted that we stopped all business operations effective 12/20/2018. The business was owning only one vehicle and that was sold on 12/20/2018.

From 12/20/2018, we do not own or have in our possession any vehicle and does not indulge in any sort of business of limousine service or otherwise. That is why the business has no insurance effective 12/20/2018.

Moreover, we do not intend to continue with the Certificate of Public Convenience for operation of limousine service. We pray that the certificate may please be cancelled.

Respectfully submitted,

Shakeel Imran,

Owner/Manager,

Shakeel Imran Limousine Service,

1403 Norwood House Rd

Downingtown PA 19335.
