RE: Docket No. A-2017-2595818
Removal of Cardinal NE Midstream, LLC from Act 127 Pipeline Operator Registry

To Whom It May Concern:

On March 28, 2017, Cardinal NE Midstream, LLC filed a Pennsylvania Pipeline Operator Registration Form with the Pennsylvania Public Utility Commission (PAPUC) pursuant to the requirements in the Gas and Hazardous Liquids Pipeline Act (Act 127), Act of Dec. 22, 2011, P.L. 586, No. 127, and PAPUC's implementation orders, Act 127 of 2011 – The Gas and Hazardous Liquids Pipeline Act; Assessment of Pipeline Operators, M-2012-2282031 (Feb. 16, 2012); Act 127 of 2011 – The Gas and Hazardous Liquids Pipeline Act; Assessment of Pipeline Operators – Jurisdiction over Class 1 Transmission, M-2012-2282031 (Jun. 7, 2012). The Registration Form submitted by Cardinal Midstream, LLC covered approximately 3.4 miles of natural gas pipeline facilities in Tioga County, Pennsylvania. On April 3, 2017, PAPUC acknowledged receiving the Registration Form and assigned Cardinal NE Midstream, LLC the above-referenced docket number for all future correspondence related to that registration.

On July 23, 2018, DTE Pipeline Company acquired Cardinal NE Midstream, LLC, and all of the natural gas pipeline facilities in Tioga County, Pennsylvania, that Cardinal NE Midstream, LLC previously identified in the Registration Form in this proceeding. For administrative reasons, DTE Pipeline Company has determined that another entity, Susquehanna Gathering Company I, LLC, will serve as the Act 127 Pipeline Operator for these assets. Susquehanna Gathering Company I, LLC has an active Act 127 Pipeline Operator Registration under Docket No. A-2013-2355167 and will include the natural gas pipeline facilities in Tioga County that DTE Pipeline Company acquired from Cardinal NE Midstream, LLC in any subsequent filings.

Because Cardinal NE Midstream, LLC no longer owns or operates any natural gas pipeline facilities in Pennsylvania, DTE Pipeline Company is respectfully requesting that the entity be removed from the Act 127 Pipeline Operator Registry. DTE Pipeline Company recognizes that Cardinal NE Midstream, LLC would need to file another Pennsylvania Pipeline Operator Registration Form if the company acquired any Act 127 jurisdictional assets in the future.

Please feel free to contact the undersigned if you have any additional questions or concerns about the information provided in this request.

Respectfully,

Philip W. Coleman
