Gary Bolch T/A Lonestar Hauling

To whom it may concern,

I, Gary Bolch, changed insurance companies for 2019 and they failed to send proof of insurance as I instructed them to do. I had no idea it was not taken care of until receiving letter from P.U.C # C-2019-3008001 on March 8th. As of that day Mar. 8th progressive insurance is sending proof of insurance to you. I ask please to not charge the 500.00 penalty, because had I known this situation existed, I would have contacted insurance co. to send it. I feel like progressive was at fault, not me.

Thank you
Very Much,

Gary Bolch
