**PETITION TO INTERVENE OF
UGI ENERGY SERVICES, LLC**

UGI Energy Services, LLC (“UGI Energy”), hereby petitions to intervene pursuant to 52 Pa. Code §§ 5.71-5.75 in the above-captioned proceeding filed on behalf of UGI Utilities, Inc. – Gas Division (“UGIU”) In support of this Petition, UGI Energy states as follows:

1. On January 29, 2019, UGIU filed Supplement No. 267 to its Pennsylvania Public Utility Commission Gas Tariff. In this filing, UGIU proposed to increase rates by approximately \$71.1 million and proposed various changes to its tariff rules.
2. UGI Energy is a Pennsylvania limited liability company with a business address of. One Meridian Boulevard, Suite 2C01, Wyomissing, Pennsylvania 19610.
3. UGI Energy is a licensed natural gas supplier in Pennsylvania at Docket No. A-2013-2369286. UGI Energy is licensed as an aggregator, broker/marketer and supplier of natural gas services to residential, commercial, industrial and governmental customers in Pennsylvania, including in UGIU’s service territories.
4. The names, address and telephone number of counsel for UGI Energy are:

5. Eligibility to intervene in Commission proceedings is governed by the Commission's rule at 52 Pa. Code § 5.72. Under Section 5.72, a "right or interest" sufficient to warrant intervention includes an interest which may be directly affected and which is not adequately represented by existing participants, and as to which the petitioner may be bound by the action of the Commission in the proceeding; or, another interest of such nature that participation of the petitioner may be in the public interest.

6. UGI Energy has direct and substantial interest in this proceeding that cannot be adequately represented by any other party. As a licensed natural gas supplier in Pennsylvania serving customers on the UGIU system, UGI Energy has a direct interest in determining that the changes transportation rules proposed by UGIU are in the public interest and will not adversely impact UGI Energy's ability to meet its existing and future service obligations to retail customers on the UGIU system. Thus UGI Energy satisfies the requirements for intervention set forth in 52 Pa. Code §52.72(a), because it has an

interest in the proceeding which may be directly affected and which is not adequately represented by existing participants.

WHEREFORE, for the foregoing reasons, UGI Energy Services, Inc. respectfully requests that its Petition to Intervene be granted and that the Commission grant it full rights as a party to this proceeding, together with such other relief as is just and reasonable under the circumstances.

Respectfully submitted,

A handwritten signature in blue ink that reads "Frank H. Markle". The signature is written in a cursive style and is positioned above a horizontal line.
