**Re: Wim Ney v. Metropolitan Edison Company**  
**Docket No. C-2018-3003238**

Dear Secretary Chiavetta:

In accordance with the Interim Order issued on March 4, 2019 in the above-referenced matter requiring a status report on or before March 15, 2019, this letter serves to report that the parties are continuing to work towards a resolution of this matter. Unfortunately, due to inclement weather and schedule complications, a quote for relocation of the Complainant's meter, which the parties believe may resolve this matter, has been delayed. As such, the parties jointly propose a further report be provided by April 15, 2019 advising as to the likelihood of resolution of this matter.

Please contact me if you have any questions regarding this matter.

Very truly yours,

Handwritten signature of Tori L. Giesler in blue ink, including the initials KBW.
