

Farassa Floyd

vs.

PECO Energy Company

F-2018-3001465

Feb 16, 2019

In accordance with your final order I disagree and would like to appeal this decision of Administrative Law Judge Marta Guhl dated Dec 13, 2018 without further Commission action for I was never sent anything about the decision that was made or the opportunity to file an appeal. I have also been going through eviction matters and have not received a lot of my mail, some has been sent back.

Best Regards
Farassa Floyd
