JOINT STATUS REPORT

Respondent Duquesne Light Company (“Duquesne Light”) files this Joint Status Report pursuant to the Presiding Administrative Law Judge’s Interim Order dated March 14, 2019:

1. The parties have engaged in settlement discussions, but have been unable to resolve the case at this time.
2. Both parties are willing to participate in a settlement conference before the presiding administrative law judge.
3. The parties request that the presiding administrative law judge schedule a settlement conference on one of the following dates: April 15, April 24 (afternoon only), April 29, May 1, May 3, or May 6.
4. Duquesne Light is seeking to join the property owner, Timothy Carroll, as a party to this action.
5. Complainant is not seeking to amend her Formal Complaint.
6. Duquesne Light does not have any additional issues that need to be addressed at this stage of the proceeding. Complainant plans to raise additional issues during the

settlement conference with the presiding administrative law judge because she is displeased with the answers that she has received from Duquesne Light during settlement discussions.

Respectfully submitted,

TUCKER ARENSBERG, P.C.
