SUBJECT PECO Energy Company Report of Accounts with Arrearages in Excess of \$10,000 and Report of Medical Certificates Utility Report, Docket No. M-2014-2448824

Dear Secretary Chiavetta

Enclosed for filing please find PECO Energy Company's Section 1410.1(3) Report of Accounts in Excess of \$10,000 and Section 1410.1(4) Report of Medical Certificates, filed under Docket No. M-2014-2448824.

The long-term trend for residential accounts with arrearages in excess of \$10,000 has been positive. In 2018, there were 69 accounts; which is an improvement from the 888 accounts in 2008.

The report contains the data requested including a unique identifying number, the account balance, the date the account was established, the average monthly bill, the number of PUC informal complaints, the number of PUC formal complaints, the number of company PARs, and the number of times the service was terminated.

In addition to the requested data, PECO has reviewed information that we believe is relevant to how a customer can accumulate a balance in excess of \$10,000. That information includes medical certificates, bankruptcies, returned checks, utility reports, winter termination provisions for low income customers, theft of service, and billing disputes. This additional data helps to show the mechanisms a customer can utilize to delay payments and terminations.

Page 2

For example:

- Of the 69 accounts, 46% had utilized the maximum of 3 medical certificates.
- 23% of the accounts have filed for bankruptcies. One account filed for bankruptcy 7 times.
- 29% of the accounts have had returned checks.
- 81% of the accounts were in the termination process and received a Utility Report per 56.152(8)ii. The average number of times in the termination process and Utility Report issued is 10 with the maximum of 47 utility reports for one account.
- 49% of the accounts are on a CAP rate or have been in the past.
- 19% of the accounts have engaged in theft of service.
- 48% of the accounts have filed high bill disputes. The maximum was 25 high bill disputes for one account.

The data above shows that customers who accrue high balances are able to do so by actively using the mechanisms at their disposal to delay payment and termination.

Should you have any questions concerning this filing, please contact Brooke Shehata at 267-533-1344.
