

Good Morning/

This letter is written in response to Docket No. C-2019-300810. The Docket was issued because the PUC did not receive evidence of insurance. However, there was no lapse in insurance coverage for Northeast Rental Corp. Our insurance underwriter forgot to send proof of insurance to the PUC. When the PUC notified Northeast Rental Corp that they did not receive our certificate of insurance, I contacted our insurance agent who then notified the underwriter. The underwriter sent Northeast Rental Corps certificate of insurance to the PUC in February. I received confirmation that the PUC has our certificate of insurance.

Will the PUC still waive the fine of \$500.00?

Thank You\
